If you are risen with Christ - CARTER CONLON

Carter Conlon encourages us, that if we are risen with Christ, to seek those things which are above. There is something about who you are in Jesus Christ that you need to see. Something about Christ being raised from the dead in promise saying that those who turn to Him will also be raised from the power of death that you need to see.

FRI. - MARCH 29 FRIDAY 8:00 PM - 54 MIN.

"Secrets from the Garden"

For many Christians, Gethsemane is a brief rest stop on the way to the main story —the cross. But there are critical questions that demand explanation. What is the real truth about Jesus sweating "as it were drops of blood?" When Jesus prayed, "Not my will but thine be done" exactly what did He want us to learn? The answers to these questions and more are revealed through interviews and sound from Israel, combined with dramatic vignettes and original music score to paint a dramatic Easter landscape in this 54-minute Easter special from Moody Radio

SUN. - MARCH 31 2:00 PM - 54 MIN.

Moody - In Celebration of Risen King - CHARLIE DYER

Listeners encounter the story of Jesus' resurrection in a timeline that followed up to that event.
