

Ms. Christina

This is Christina's fourth year at Edgez Dance and she is so excited for another amazing season! Christina began dancing at age 4 and immediately fell in love. Since then, she has trained in ballet, pointe, lyrical, tap, jazz, musical theatre, and contemporary.

She has also taken part in several musicals over the years, including Mary Poppins, Little Mermaid, West Side Story, A Very Broadway Christmas, and most recently The Prom. Christina graduated in the summer of 2022 with a Bachelor of Art in Interdisciplinary Studies and a Minor in Dance from UCF. Christina also performed with Living Water Dance Company as a senior company member and assistant choreographer for three years. This past season Christina worked as an EDPT Co-Director and choreographed multiple pieces for the EDPT and EDST teams. She was also a part of the 2023-2024 Infinity Company and competed and trained throughout the season in jazz, tap, and contemporary. When Christina is not at the studio, she also loves to paint, read, and spend time with her cats. Christina is excited to continue to share her love for dance with all the wonderful dancers at Edgez!
