

WEBCO HR, Inc.

Let Experience be Your Guide

TEMENOS PAYMENT HUB ARCHITECT- REMOTE

WEBCO HR, Inc. is seeking a Temenos Payment Hub Architect for one of our clients to work totally remote.

REQUIREMENTS

- Bachelor's degree in computer science, Information Technology, or a related field.
- Proven experience as a Temenos Architect or similar role, with expertise in developing software solutions on the Temenos T24 banking platform.
- **Temenos Payment Hub experience mandatory.**
- Strong knowledge of Java programming language and its relevant frameworks.
- Familiarity with web development technologies like HTML, CSS, and JavaScript.
- Experience in integrating systems using SOAP, REST, and XML.
- Proficiency in working with Oracle Database and other supported databases.
- Understanding of middleware technologies like IBM MQ Series, JMS, and WebSphere Message Broker.
- Knowledge of reporting and business intelligence tools like Temenos Reporting Framework (TRF) and Temenos Business Analytics (TBA).
- Excellent analytical and problem-solving skills.
- Strong communication and collaboration abilities.
- Ability to work independently and manage multiple tasks simultaneously.
- Attention to detail and commitment to delivering high-quality software solutions.
- Familiarity with Agile development methodologies is a plus.
- Temenos certification or training is desirable but not mandatory.

COMPENSATION:

- \$130,000 - \$140,000
- Full Benefits
