COUNCIL'S CORNER

Painesville City Council

Front Row: Lori DiNallo, Paul Hach, Tom Fitzgerald
Back Row: Nick Augustine, Christine Shoop, Katie Jenkins and Jim Fodor

Most of us by now are resuming life as we knew it. We are attending Little League baseball games, going out to eat at local restaurants or just having family and friends over for cookouts or social gatherings. Now is the time to revisit what Painesville City has to offer that makes us a great community.

We have City Parks, 12 in number if you want to count them. They are spread throughout the city so that residents do not have to travel too far in order to enjoy what the parks have to offer. Most parks have playground equipment so that families can spend time together. Soon we will have a dog park in the North end of town for our four-legged friends. One of our main attractions is Recreation Park. It has a fitness trail that runs along the Grand River and has several training stations along the way. It gives you a chance to clear your mind as well as help keep your body healthy.

Some summer time events that bring our community together include the Farmers Market every Thursday in Painesville Square from 12:00 noon to 4:00 p.m. We have concerts on Wednesday evenings in the Square starting at 6:00 p.m. There are also two more Party in the Park 'Lite' on August 14 and September 18 to name a few.

We would also like to recognize our first responders and public works service personnel. Recently three of our police officers saved a four-year-old boy who had wandered off and fell in the pond at Recreation Park. Our police officers continue to answer the 911 calls for help even if it means putting their own safety in jeopardy. Our fire personnel continue to go into smoke- and fire-filled structures to rescue our citizens and protect their property. Our electric line workers are repairing lines during and after storms so that we can continue to have power for our homes and businesses.

Over the last several months, City Council has held monthly meetings using Zoom. This changed in July as Council went back to live, in-person meetings. There is a totally different feeling when participating via Zoom compared to a meeting where all Council

Spotlight on Painesville Mechanics

Painesville Public Works department is known for dealing with roads and sewer issues, but they also maintain all the vehicles in the city. Public Works mechanics perform many tasks related to the maintenance and repair of single axle and tandem dump trucks along with police cruisers, fire department vehicles, water and electric trucks and road maintenance equipment. All together, they are responsible for ensuring the City's 180 vehicles and equipment are operating at

maximum efficiency thereby keeping safety at the forefront of operation.

The city's three mechanics have a combined 35 years of knowledge and do a spectacular job at managing and maintaining the rigors of the garage on a daily basis. The mechanics are ASE certified and with continuous in-house training they possess the skill set to service the fleet quickly and efficiently so that the vehicles get back on the roads and serving

the community.

These multi-talented individuals also plow snow in the winter months when lake effect snow takes over and its all-hands-on-deck. Remember, the next time you see Public Works employees out, know there is another crew back at the garage making sure all equipment and vehicles are on the road!

Family Fun at Movie in the Park!

Join Painesville Recreation for their annual movie night under the stars on Saturday, August 28 starting at 8:00 a.m. Stay tuned for which family-friendly movie will be shown on the giant blow up screen!

Movie begins at sun down. This is a free event for the community with snacks available for purchase. Call Recreation at 440-392-5912 for more information.

Story Time with the Fire Department

Painesville's popular Story Times returns Wednesday, September 1 at 6:00 p.m. with the Fire Department in Painesville Square.

Join the Fire Chief and firefighters as they read a few books and let kids take pictures with the firetruck.

Car Cruise Fridays

Painesville's famous DPO Friday Night Car Cruise is every Friday from 5:00-9:00 p.m. in Painesville Square. Stroll through vintage, muscle and unique vehicles lining beautiful Veterans' Park while enjoying music and snacks.

This event is weather permitting and run by the Downtown Painesville Organization (DPO). For questions, please contact Joy Severa at joy@mainstreetpainesville.org or 440-853-0075.

Efficiency Smart Appliance Recycling

Painesville Electric partners with Efficiency Smart to help its residents save energy and money. Efficiency Smart's Appliance Recycling Rewards is back for a limited time! Schedule a free pickup of a working refrigerator, freezer, dehumidifier or room air

conditioner through September 30, and you'll get \$100 for recycling your unit. It's that easy! Call 877-889-3777 to schedule or visit efficiencysmart.org/painesville-ohio to learn more. All Painesville Electric customers qualify for this program.

Painesville City Sidewalk Program

In 2018 City Council passed the Painesville City Sidewalk Program, a two phase infrastructure improvement plan aimed at improving walkability in the community.

During Phase 1 (2018-ongoing), city staff replaced damaged sidewalk slabs that fell under city responsibility and removed any trees in the tree lawn that were deemed hazardous to sidewalks or infrastructure.

Phase 2 (2020-ongoing), has property owners replacing sidewalk slabs that fall under their responsibility and any trees in the tree lawn that may be deemed

hazardous to those sidewalks. As a result, the city applied for a Community Development Block Grant (CDBG) through the Lake County Commissioners Office and was awarded \$50,000 to fund the Disadvantaged Sidewalk Assistance Program for low to moderate income Painesville residents. Please visit www.painesville.com/sidewalks for more information.

The residents of Ward 2 North received a letter stating that the trees marked in the tree lawn would be removed and the sidewalks that were marked the City's responsibility would be replaced. These letters were mailed on September 22, 2020.

Painesville Party in the Park 'Lite'

The Painesville Community Improvement Corporation's (PCIC) annual three-day Party in the Park is modified this year to help spread out the crowds. This year, PCIC will host four Party in the Park 'Lite' on Saturdays throughout the summer featuring continuous live music, food trucks,

vendors, adult beverages and more. Remaining dates include August 14 & September 18. Bring your own seating to relax in front of the main stage or walk around the park - the choice is yours! For more information, visit www.painesvilleimprovement.com/party-in-the-park.

Getting Started with Medicare - Now offered in person and online

There's so much to learn about Medicare before you enroll. You could spend countless hours talking to friends and visiting various internet sites, or you can attend a comprehensive workshop called **Getting Started with Medicare** where I cover all the basics. Over the past 14 years, hundreds of people have attended this class in person and started off on the 'right foot' with Medicare.

Unfortunately, some community classroom settings are still not up and running limiting my ability to present this class. So, to make it convenient for everyone turning 65 to learn about Medicare, I now offer my **Getting Started with Medicare** class as an online presentation so you can log in from the privacy of your home to learn all the ins and outs of Medicare.

I cover when and how to enroll, as well as the many differences between Original Medicare, Medicare Advantage Plans, Medicare Supplement Plans and Medicare Part D Prescription Drug Coverage. We go over how to avoid penalties for late enrollment. I will also discuss how you can get coverage for dental, vision, hearing and other services not generally covered by Original Medicare.

To watch **Getting Started with Medicare** online, go to my home page at <http://www.mutskoinsurance.com>. There, you will find the link to the class. You can watch it all at one time or go back to review sections you may have questions on as often as you like. It's that simple.

For those who prefer to attend an in-person or Zoom session, classes will be held on the following dates

and times. Registration is required and is going on now.

Bankruptcy 101:

The Miracle of Bankruptcy

Bankruptcy is the most affordable, fastest working, constitutionally backed legal mechanism available for Americans in financial trouble. Most importantly, bankruptcy offers powerful protections to people that cannot be had in any other way. Some of those protections are as follows:

1.) Protection of Assets: Once a bankruptcy is filed the Court protects many assets from being taken. It also prevents garnishment of wages. In almost all cases we are able to keep a person in their home, keep their cars, and all of their personal belongings to name just a few of the benefits.

2.) Protection from Creditors: Once your bankruptcy is filed, you receive a legal protection

called an Automatic Stay. This "stay" prevents creditors and debt collectors from making contact with or trying to collect money from you. The automatic stay will stop foreclosure, lawsuits, wage garnishments, vehicle repossession, utility shut off, license suspensions for uninsured accident damage to another motor vehicle and more.

3.) Discharge of Debt: Upon completion of the bankruptcy your debt is eliminated and does not ever have to be paid back.

4.) Time to catch up on Payment: In many cases bankruptcy filers get a chance to catch up on payments that are overdue on your home, car, or other assets.

5.) Re-build Your Credit: Bankruptcy clears up and resolves your debt, judgments,

delinquencies, foreclosure and other bad marks on your credit rating and gives you a "fresh slate" upon which to re-build your credit. It also prevents creditors from coming after you years down the line for debts that are labeled "write offs" or "charge offs" by the bank on your credit report but that, unknown to most, are still collectible.

6.) It Works Fast: We are able to stop creditor harassment, lawsuits, foreclosures, garnishments, repossessions and a whole lot of other problems FAST with bankruptcy. Bankruptcy is not like applying for a bank loan. It moves fast. The protections discussed can be used the same day we file. Some of these protections like stopping

harassing phone calls are available immediately upon giving us money down for representation.

Bankruptcy is about having peace of mind and relief now but it is also about financial planning for the future. It is about re-establishing credit, keeping the lion's share of your property and resolving all of your current debt and bad marks on your record so that you will be in good financial standing in a few years. It is about a fresh start in life. Everyone deserves a fresh start.

Even though a bankruptcy is technically public record, the fact that you are filing bankruptcy will only be known by a few people who you probably will never even come in contact with - let alone know. It is not published in

the local newspapers. The truth is that no one really cares whether you file bankruptcy anyway. They are too concerned with their own problems.

You do not need to live in fear of debt collectors, lawsuits, losing your home or any of the other dreaded consequences of financial problems. You do not have deal with the unbearable anxiety of financial stress. We can cure your debt problems.

Delchin Law offers to start bankruptcy protection and stop bill collector harassment for only three hundred dollars down. If you think Bankruptcy might be able to help you, please call us for a free, confidential, no obligation consultation.

CELEBRATING 35 YEARS OF EXCELLENT SERVICE!

Lakeland Distributes Another Round of Emergency Funding to Students

Lakeland Community College will distribute another round of emergency grants to eligible students. As of July 7, 2021, over \$2.8 million has already been given directly to Lakeland students to help defray costs associated with college. The

funding comes via the Higher Education Emergency Relief Fund (HEERF) that provides COVID-19 relief to students under the Coronavirus Response and Relief Supplemental Appropriations Act and the American Rescue Plan. Students

may use the grant toward the cost of attendance, or for emergency costs that they've incurred due to coronavirus, such as tuition, food, housing, medical and mental health care, technology or child care.

The grants are available to

all enrolled students (excluding College Credit Plus). Students do not need to be a financial aid recipient to receive assistance but are encouraged to complete the 2021-2022 Free Application for Federal Student Aid (FAFSA) to determine eligibility for additional federal, state and local funding opportunities.

provide emergency financial aid grants to students. Many who rely on campus resources such as computer labs, Wi-Fi, food pantry, child care, etc., unexpectedly had additional costs in order to continue the semester entirely online.

The application for fall semester grants will be available Aug. 2, 2021. Lakeland's fall semester classes begin Aug. 21.

For more information about HEERF and to apply, visit <https://lakelandcc.edu/web/about/stimulus-grants-heerf>

Lakeland first distributed emergency grant funds in May 2020 through the Coronavirus Aid, Relief and Economic Security (CARES) Act specifically intended to

Mentor Window Earns Yet Another Angie's List Super Service Award - 9 Years Straight!

Mentor Window has earned the home improvement industry's coveted Angie's List Super Service Award for the 9th year in a row. This award reflects exemplary years of service provided to customers throughout Northeast Ohio, along with honest, fair prices.

Steve Douglas the owner of Mentor Window was asked about how they continue having such success in the home improvement industry. "We have crews that have been with us for decades, and we are very particular about the installers we hire. We won't just hire anyone to catch up if we are backed up a bit, quality is at the top of our list when it comes to workmanship. When it comes to pricing, we are straight forward with people, they don't want to hear any buy 1 get 1 free nonsense. They want a fair, honest price up front without all the gimmicks you see out there in advertising. We treat each and every one of our customers like family."

"Only about 5% of the Home Improvement companies in Northeast Ohio have performed consistently well enough to earn our Super Service Award," said Angie (founder of Angie's List.) "It's a really high standard."

Angie's List Super Service Award 2020 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review grade period; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A to F scale in areas ranging from price to professionalism to punctuality.

Lakeland Community College students ride free on Local Routes 1-9

There are plenty of expenses to consider when heading off to college, but your transportation doesn't need to be one. Laketran and Lakeland Community College's longstanding partnership offers college students enrolled at Lakeland Community College and Holden University Center free public transportation Monday-Saturday on Laketran Local Routes 1-9. Laketran offers regularly scheduled bus service throughout Lake County with service to Lakeland's main campus on Routes 1, 2, 3, 6, 8 & 9, plus Lakeland's Campus Loop service.

Route 11 from Madison Park-n-Ride provides morning and evening service to Lakeland Community College.

Students commuting from Cuyahoga County receive free transfers from Laketran to Greater Cleveland RTA.

Students simply swipe their current Lakeland Student ID when boarding the bus to get to get anywhere in Lake County anytime. A Lakeland student ID card can be obtained at the campus library or athletic and fitness center (AFC) by bringing a class schedule and photo ID, such as a driver's license or State of Ohio ID.

Cleveland-based college students get reduced fare on Park-n-Ride

Cleveland State University and other Cleveland-based college students can also ride Laketran to get to class. College students receive a reduced fare of \$1.50 on Laketran Park-n-Ride Routes 10-12. Park-n-Ride operates Monday-Friday with 17 daily departures from eight different Lake County locations. Students are required to show a current student ID card when boarding the bus. Students interested in trying Park-n-Ride for the first time can get a free ride pass by visiting laketran.com/park-n-ride/freeride.

Learn how to ride

To get started on Laketran, students can plan their trips and track their bus in real-time using Laketran's mobile app or contact Laketran's Outreach Specialist at 440-350-1067 for route suggestions.

All students are encouraged to sign-up for Rider Alerts by texting LAKETRAN to 313131 for information on delays or detours.

For more information, contact Laketran at 440-354-6100 or visit www.laketran.com.

Outlet Repair Special with Nelson Electric LLC

Ever need an electrician to fix a light switch, outlet, replace a ceiling fan? We do the little jobs that no one else wants to do. We are residential electricians. So what is the difference? General electrical work in Ohio does not require licensing. Specifically, only commercial contractors in Ohio need a license to work. Electrical contractors are licensed by the state and can install, repair, or alter all forms of electrical equipment. In Ohio, you need five years of experience with a licensed electrician before you can apply for an electrical contractor license. There are a few ways that you can gain that experience. You could work as an apprenticeship for a few years, attend trade school and apply for entry-level positions, or simply climb the industry ladder in your local area. Apprenticeships teach you the basics of electrical wiring, equipment usage, and electrical theory.

Residential electrician, take a course offered at several colleges in Ohio and coupled with experience can practice general electrical repairs and replacements in a home. So that is what Nelson Electric and Air LLC does. We do general repairs and installations in the home. We install ceiling fans, repair lamps, change out light fixtures to new LED fixtures etc. We can update electrical boxes, run a

220 line for your dryer or hot tub. Run wiring for security cameras, install electric heaters in your garage. These are typical jobs that commercial electricians do not want to deal with. We are covered by liability insurance, 500 to a million-dollar coverage. We will provide references upon request. We are respectful of your home and clean up our workspace before we leave.

Have you ever have outlets that after some time, do not hold the plug in? And it slowly slips out? That is the result of the mechanism that squeezes and holds the prongs in the outlet. This is the difference between a cheap outlet and a top-of-the-line outlet. The price difference is \$1.00

Plaid Movers - Synergy in Motion

Synergy is basically the concept of 'working together.' Working efficiently through the moving process from start to finish. Listening to our customers, applying organizational skills and good project management to provide best-in-class customer service. Protecting your household goods, with attention to details and applying excellent special relationships in packing the truck for efficiency, safety and protection.

We follow all State of Ohio and USDOT rules and regulations for Household Movers. We provide

to \$1.50. We are running a special on repairing outlets \$120.00 minimum for 1 outlet and \$15.00 every outlet after that.

We have 30 years of experience. We also install Air vending machines that fill car tires. We typical install these in gas stations and car washes for free and the owner gets 35% of the revenue generated. We collect and maintain and repair these Air machines. The owner has no responsibility and no financial obligation. We think outside the box and we are open to install these machines in any business that thinks they can benefit from them.

Call Rocky at 440 477 4696 for info or estimate.

a written estimate as required by State Law. This estimate is a 'not to exceed' price. Your move is based on an hourly rate and it is our hope the charge will be less than the not to exceed price, but never more - no matter what - no surprises.

We have all the required insurances, including: \$2 million in General Liability, \$50k in Cargo Insurance, Truck Insurance and Workers Compensation.

When the Coronavirus hit, it shut down my life long career in Building Design and Construction and Architectural Project Management. Not being ready to retire, I developed Plaid Movers based on the needs of realtor's and their clients. Along with younger, stronger men and women we put together a crew of experienced workers.

Plaid Movers services families, homeowners, landlords, businesses and industries with their moving, packing, cleaning, trash removal, delivery and yes even some landscaping needs. Give Dean a call.
