The background of the page features a large, detailed painting of a hand holding a baby, reminiscent of Michelangelo's 'The Creation of Adam'. The hand is rendered in warm, reddish-brown tones, and the baby is wrapped in white cloth. In the lower-left foreground, a man with a beard and mustache, wearing a brown pinstriped suit and a red tie, is sitting on a wooden ledge, smiling at the camera. The overall background is a soft, blue and white sky.

GREETINGS FROM DR. WISE

A Letter of
Welcome from
Our Leader

Praise the Lord! To all of the delegates from throughout the city, across the country and around the world, welcome to the Seventh Annual Convocation of The International Fellowship of Faith Ministries.

In just a few short years, IFFM has risen from a mere vision first seen off the shores of Sierra Leone, West Africa to a major mission outreach embraced around the world. Today, the name of IFFM and the desire to preach, teach and heal has spread like wild fire to more than 30 nations.

Now that we are becoming known worldwide, our next critical objective is to become grounded and securely established in each of the places where the seeds of IFFM have been planted. During this Convocation and throughout the coming year, it is our hope and prayer that we shall seek ways to ensure that IFFM is not just a name, but a stable, sustainable and viable ministry in every corner of the globe. This can and will be done only by the power and exercise of FAITH.

I invite our chapter leaders, members and friends to accept this challenge and join me as we stand on, step out on and walk by FAITH into our bright future.

WHAT IS THE IFFM

The Fellowship of Faith Ministries is an international outreach of Faith Ministries Church of Columbus, Ohio. Its goal is to create an international network of mission minded churches, lay leaders and church members who preach, teach and all around the world.

Here's how it works: The International Fellowship of Faith Ministries establishes various chapters in selected countries as bases from which: 1. teaching; 2. Preaching, and 3. health and wholeness oriented activities can be disseminated throughout that community. Community leaders and members are then able to receive training and resources which help them address specific pressing issues in their own community.

In this manner, (with the assistance of international partners) the community itself is able to provide the people, passion and power to produce solutions to its own spiritual, educational, economic, health and practical living problems.

THE BENEFITS

The benefits of such a program are many. Among them are:

1. **Simplicity:**

All we have is a group of like-minded churches coming together to provide teaching, health and economic development to their own people with the assistance of international professionals.

2. **Credibility:**

This program gives credibility to local leaders because they have an international partner from the US and it is based in and delivered by one the most credible organizations in the community, i.e. the church.

3. **Accessibility:**

Since the program is primarily based in churches, the training, services and resources provided will never be very far from the people who need it.

4. **Flexibility:**

Being a church and community based program allows it to have a degree of flexibility that a government run program may not.

5. **Profitability:**

The ultimate objective of the program is that it produces profitable results in terms of improved health status, higher levels of literacy, and income generating micro-businesses which will lead to community independence.

6. **Universality:**

This program can be duplicated almost anywhere in the world and can very easily be customized to the culture and individual needs of the selected sites.

7. **Opportunity:**

This program offers African Americans with an interest in Africa and other ethnic groups in America with an interest in other parts of the world to connect with and help develop their own homelands using the same model - without ever leaving the US.

IFFM

Teaching, Preaching and Healing All Around the World

WHAT WE ARE NOT

- 1** We are not another church.
We are a group of churches.
- 2** We are not a denomination.
We are interdenominational.
- 3** We are not all things to all people.
We are a few things to many people.
- 4** We are not a convention.
We are a connection.
- 5** We are not uniform.
We are united.
- 6** We are not a political organization.
We are a catalyst for personal, communal and national change.
- 7** We are not a hand out.
We are a hand up.

THE THEOLOGICAL FOUNDATION

This effort takes its cues from Jesus himself:

"And Jesus went about all the cities and villages teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness, and every disease among the people"

– (Matthew 9: 35) –

The International Fellowship of Faith Ministries is simply following in the footsteps of its Lord. It seeks to create a vehicle by which it can go about all the cities and villages, teaching, preaching and healing every sickness and every disease among the people.

BY FAITH

IFFM is Growing

In March of 2014, Dr. C. Dexter Wise III, Rev. Tobias Houpe and Apostle Emmanuel Yakawa conducted a tremendously successful 13 day, 4 country tour/visit to invigorate the IFFM Chapters in those nations.

IFFM Ghana Chapter

We are growing in the Ivory Coast where more than a dozen were awarded Certificates from the Wise School of Ministry.

Sierra Leone Chapter

We are growing in The Gambia where Dr. Wise, Rev. Houpe and Apostle Yakawa conducted a series of seminars.

We are growing in The Gambia where a Pastors' Conference was held.

We are growing in Ghana where contacts were made with government officials.

in WEST AFRICA

Souls were saved.
Churches were strengthened.
Pastors were empowered.
Lives and nations were changed.

On the afternoon of Saturday, March 22, 2014, Dr. C. Dexter Wise III visited the city of Bonoua, Cote D'Ivoire (Ivory Coast) West Africa. This city has a population well in excess of 37,000. Dr. Wise was taken there with a delegation led by his host, Bishop Blaise of Abidjan. Bishop Blaise is the IFFM National Coordinator of Cote D'Ivoire and the IFFM Regional Coordinator for French Speaking West Africa.

The purpose of their visit was to consecrate a local pastor, Aka Guillume, to the office of Apostle. When the great jubilation of the consecration was concluded, the King of the city, who was also in attendance, passed word to Dr. Wise that he wished to make him a king!

Immediately, in the presence of hundreds of well-wishers, His Majesty King Nana Folie Thomas instructed his entourage to place royal slippers on Dr. Wise's feet, royal garments on his body and a royal crown upon his head. The king named Dr. Wise, King Anoumah II and presented him to the applause of all present.

Then, beginning with the king, Dr. Wise was loaded with gifts from other officials of the city and members of pastor Aka's church.

If this were not enough, later on that day, Dr. Wise returned to the same town square to preach a crusade. At the conclusion of the sermon, when he invited people to come and accept Jesus Christ as their personal savior, among the many who came was the King himself.

So, in the same day, Dr. Wise met a king, was made a king and led a king to meet the King of Kings. Praise the Lord!

The Affirmation of Faith

As a body of baptized believers, a congregation of the converted and a community of ministers, we do hereby solemnly, seriously, publicly and boldly affirm our faith.

We believe in God the Father, the maker of heaven and earth and in Jesus Christ, His only Son our Lord who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified dead and buried. On the third day He rose from the dead and ascended into heaven and sits on the right hand of God the Father. From thence He shall come to judge the quick and the dead. We believe in the Holy Spirit and the Holy universal church, the forgiveness of sins, the resurrection of the body and life everlasting.

We furthermore pledge that:

In the area of discipleship, we will be obedient and disciplined followers of Christ.

In the area of worship, we will regularly worship God in Spirit and in truth both publicly and privately.

In the area of stewardship, we pledge to cheerfully give the tithe and generously contribute our offerings for the advancement of this church and the kingdom of Christ throughout the world.

In the area of membership, we will be active in the ministry and will abide by the rules and regulations of this church.

In the area of leadership, we will love, respect and support the pastor as the head of the church under Christ. To support the overall leadership of the church and be leaders ourselves for the cause of Christ.

In the area of fellowship, we will be a friend to the church and the members of the church in order to foster an atmosphere of Christian hospitality and love.

In the area of citizenship, we pledge to participate in our community as a catalyst to its conversion into the kingdom of God.

We moreover declare that:

We seek no position, but a place of service. We seek no power, but Holy Ghost power.

We seek no glory, but the glory of God. We have no fear, but the fear of the Lord.

We have no by-laws above the Holy Bible. We have no creed, but the example of Christ.

We have no law, but the law of love. We have no weapon but the Word of God.

We have no God, but the Father of Jesus Christ.

Finally, we resolve that by the Grace of God and the aid of the Holy Spirit we will translate this affirmation from our lips to our lives to the glory of God.

Praise the Lord!
