Consequently, if a proposed building or buildings cannot be designed, located, configured,

In the event the Building and Zoning Committee

approves the application with conditions or denies the application, the Applicant may either amend its development application in compliance with the decision of the Building and Zoning Committee or may appeal the decision to the Town Commission. Any such appeal shall be made within thirty (30) days of a decision by the Building and Zoning Committee. 1. To hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by an administrative official or the Building and Zoning Committee in the enforcement of this Chapter [Appendix A-Zoning Code].

2. To authorize upon application in specific cases a variance from the terms of this Chapter [Appendix A-Zoning Code] as will not be contrary to the public interest, where owing to special conditions, a literal enforcement of the provisions of this Chapter [Appendix A-Zoning Code] will result in unnecessary hardship. However, the Town Commission shall not be empowered or authorized to grant a variance to permit a use in a zone or district in which use is not permitted by this Chapter [Appendix A-Zoning Code].

(3) In exercising the above-mentioned powers, the Town Commission may, in conformity with the provisions of this Chapter [Appendix A-Zoning Code], reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer or Committee from whom the appeal is taken. The concurring vote of three (3) Commissioners shall be necessary to reverse any order, requirement, decision or determination of any such administrative official or the Building and Zoning Committee or to decide in favor of the applicant on any variance under this Chapter [Appendix A- Zoning Code].

Said notice shall be mailed to owner(s) as shown on the records of the Property Appraiser of Palm Beach County, Florida no less than five (5) days prior to the meeting of the Building and Zoning Committee. The failure of the Town Clerk to provide the notice as specified herein or the failure of an owner(s) to receive such notice shall in no way invalidate or otherwise affect any action either taken or the issuance of any building permit(s).

SECTION 3. Specific authority is hereby granted to codify and incorporate this Ordinance into the existing Code of Ordinances of the Town of Jupiter Inlet Colony, Florida.

SECTION 4. That all Ordinances or parts or Ordinances, in conflict herewith, be and the same are hereby repealed to the extent of such conflict.
