The Mission of The Aiken Horse Park Foundation is to promote Aiken's equestrian way of life and to encourage the community's civic, educational, and charitable endeavors.

Our Vision for Grand-Prix Eventing at Bruce's Field is to showcase the best of the sport of eventing. It will demonstrate the highest quality and innovation in competition, attracting top horses and riders Internationally. Its prestige and format will make it the ideal venue to provide an engaging event drawing a wide variety of spectators from all over. Highlighting the history and character of Aiken throughout the event and involving many local charities of Aiken will exhibit our pride in our community, and fulfill the mission of making the horse park a central fixture which "promotes Aiken's equestrian way of life" and supports the communities civic, educational and charitable endeavors.

Since 2016, The Aiken Horse Park Foundation has raised almost \$100,000 for a number of local charities. We are always looking for ways to support our community and broaden our reach to even more non-profits in the area. This year we are introducing our Ride For Charity event that will run alongside the inaugural Grand-Prix Eventing at Bruce's Field on February 28-29, 2020. Every rider competing in the Grand-Prix Eventing competition will ride for a local charity that has chosen to participate. As part of the eligibility requirement we ask that each Charity provide one volunteer to help with the weekend. If the rider wins the competition so does the charity!

We hope that your organization will take advantage of this opportunity by submitting your application today!

All Aiken County non-profits in good standing are eligible to apply

The \$50,000 LiftMaster Invitational will be Aiken's first Eventing Showcase. Grand-Prix Eventing at Bruce's Field is a spectator friendly two-day competition, featuring a morning of Dressage, an evening of Stadium Jumping, and an afternoon of running Cross Country. This equestrian triathlon presents a prime opportunity for top eventing riders to kick start their competition season, and to welcome the public to an exciting fast-paced equestrian event.

The weekend will be a fun filled community based event complete with a Beer-Fest featuring area craft beer, an interactive cross-country course, and internationally renowned riders competing for \$50,000.
