Southern Charm....

Welcome! Our goal was to create a restaurant with a warm, inviting feeling. We want to create an atmosphere where you can enjoy a little **Southern Charm**. The menu is designed to give you a taste of the Deep South where everything is finger lickin' good and our service should offer you the best southern hospitality around!

I enjoy meeting new people and conversing with old friends, so please know that my managers and I are here to make sure you feel like part of our family here at **Southern Charm**. We pride ourselves in knowing our customers, making new friends, and insuring the best possible dining experience.

My brother (Dwayne), my sister (Christi) and I opened our first restaurant in August of 2004. Our experiences throughout the years have taught us many things, but the most important lesson we have learned: **our customers** come first. Without each of you, we would not have been blessed with the success we have had thus far. After selling our previous restaurants in the spring of 2013, we realized that we missed our family (employees) and friends (customers) a little too much; therefore, giving us the inspiration for **Southern Charm!**

Please feel free to contact me via Facebook or through email at

southerncharmrest@gmail.com. I welcome your suggestions, compliments, or complaints.

My personal thank you, ahead of time, for dining with us.

~Angie Haney
