

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES
VANCOUVER

ADVISORY

Possible CANADA POST STRIKE on 26 September 2018

There might be a strike/work stoppage at Canada Post in the next few weeks.

This possible disruption to mail delivery means that there may be a delay in the delivery of documents. You may not receive your new Philippine passport or your notarized documents within the published processing period.

For applicants, who applied prior to September 26, 2018, and will need their passports urgently for pending immediate travel, please contact the Passport Releasing Section, Philippine Consulate General, at 604-685-1619, to arrange for a pick-up release, if their passports are already available.

For applicants coming in for passport appointments on or before September 26, 2018 until the Canada Post strike resolution, you may wish to consider other couriers with prepaid services, such as FedEx and UPS.

Thank you.
