UNITED METHODIST GLOSSARY OF TERMS:

Ever hear someone use a term at church that you didn't quite understand? Everyone from time-to-time has felt this way. Even though we at UMCorg try to make every effort to develop stories in such a way that everyone can understand, we realize that we'll use terminology that needs some clarity. Use our glossary to look up definitions of unfamiliar terms.

For example: "paraments"

The linens and cloth hangings used on communion tables, altars, pulpits and lecterns. The colors of the paraments reflect the traditional colors of the seasons of the Christian year. The paraments are changed as the seasons of the Christian year change. Often the paraments are embellished with specific symbols appropriate to the Christian season. In many United Methodist Churches, an altar guild of lay volunteers is responsible for the care and changing of the paraments.
