

# Eastport Volunteer Fire Co., Inc.

*One of Eastport's most historic community service organizations*

---

Post Office Box 3332 Annapolis, Maryland 21403

Dear Neighbor,

**The Eastport Volunteer Fire Company (EVFC)** needs your help as we support the professional firefighters and paramedics of the **Eastport Fire Station 36**. Your donation is vital to helping fund and maintain this critical and historic station.

Eastport's **Station 36** - with its distinctive red engines - responds to calls in Eastport, Downtown Annapolis, the Annapolis Neck Peninsula, and the maritime community. Our professional first responders maintain the equipment and vehicles that respond to over 1000 emergency calls annually in and around the Eastport community. Equipment needs to be repaired and replaced to ensure that they are meeting all safety standards. With any city budget, there are deficits in funding and money needs to be raised to cover the shortages. We are now planning to help the City of Annapolis fund new apparatus that will need to be replaced in the near future.

The members of **EVFC** are not first responders, but we are your neighbors promoting life and fire safety, with safety training, community outreach with various local organizations and working along with the professional personnel of the **Annapolis Fire Department** to help raise funds for needed equipment and vehicles needed to be able to respond to emergencies.

**EVFC NEEDS YOUR DONATION** - We are asking you to give whatever amount that you feel comfortable with. Every donation will go towards funding to maintain **Station 36** and our efforts to be a vital resource in the community. All donations are tax deductible. **Please mail your donation to: EVFC, PO Box 3332 Annapolis, MD 21403**

If you are interested in learning more about us or in joining the **Eastport Volunteer Fire Company**, please contact us at [infoevfc@gmail.com](mailto:infoevfc@gmail.com). We are looking for individuals who want to make a difference in their neighborhood and support the brave men and women of the **Eastport Fire Station 36**.

Thank you for your time and consideration in supporting our mission and financial goals.

Sincerely,

**Gary Mathis**

President

Eastport Volunteer Fire Company
