Special Teams for Exceptional People 2018 Volunteer Information Form

One of the reasons STEP is able to offer so many wonderful programs is because we have parents, grandparents, siblings and friends who are willing to volunteer their time to help. Without people to coach a sport, work at a fundraiser, or setup on family day we simply could not exist. It doesn't take much to help keep things running for our athletes. All it takes is an hour a week during an athletic event, a few hours at a fundraiser or family day or maybe a little more as a Board Member.

When more people work together it makes the load lighter for everyone. This is where you come in. It is not a requirement that you volunteer but it is requested and greatly appreciated. Please consider this and check off any areas you may be interested in.
