

The Lifesharing Coalition

CALL FOR PRESENTERS - 2018

6th Annual Lifesharing Conference

OCTOBER 15TH AND 16TH

Our Keynote Speaker, Kristen Mattei, has a decade of experience supporting people with disabilities and understands the challenges from the ground up. Her inspirational focus is that organizations need both the *Head* and the *Heart* to *Survive* and *Thrive*... which is also our goal in Lifesharing... to Thrive!

This year's theme is designed to reignite the *Spark* and *Passion* related to all aspects of Lifesharing. From getting your Program started through the day to day celebrations and obstacles that life presents as we strive to successfully support our families and individuals in Lifesharing.

This Years Theme:
**Light a Spark, Start a
Lifesharing Firestorm**

Keynote Speaker:
Kristen Mattei

BE THE SPARK!

Here is your **OPPORTUNITY** to present your knowledge to an eager audience looking to gain new skills and expand their knowledge.

Each breakout session will be 90 minutes long. Please include at least 15 minutes for discussion.

**Interested Presenters, please complete and submit
the Proposal Form on page 2 by JULY 6, 2018.**

After committee review, if you are selected to present, we will contact you by **JULY 20, 2018**.

For additional information regarding proposals, please contact:

Sunday Zarko, #570-286-1757 ext. 205, or email Szarko@keystonehumanservices.org
or Nadine Sherman, #814-314-1123, or email nsherman@lakeshorecs.org
