## Inclement Weather Policy

We follow Charles County Public Schools for delays and closings. If schools are delayed 2 hours, the 3 & 4-year-old programs will begin at 11am and will end at 1pm as usual, the 2 year-old-program will be CLOSED. If schools are closed then the preschool is closed. Please watch or listen to the television or radio on questionable weather days and feel free to call the preschool number in the morning if you are not sure, 301-934-2289. You can also call the Charles Co. Public School hotline 301-934-7410.

## Lifestyles & Safe Nights

The Safe Nights Program is a program sponsored by LifeStyles of Southern Maryland (a non-profit organization that counsels and supports many of the disenfranchised in the tri-county area). This program is also supported by many churches throughout the county. During the months of October through April, people who are homeless are given the opportunity to spend the night in a warm environment and given meals. Each host church takes a week or two during this time to sponsor this program.

While COVID and funding has changed this program a bit, La Plata United Methodist Church will still provide meals during some of the weeks it is being offered. We are proud of our church's on-going involvement in this ministry. For more information about Lifestyles please go to:
