SPORT DESCRIPTION: Non-modified duty firearm (either revolver or semi-automatic class). The only modifications allowed will be grips and sights (non-electric). Factory loads only. Scoring will be a combination of fixed times and Virginia Court times. Competitors may enter ONLY ONE class, revolver or semi-automatic.

Competitors without an IPSC or national affiliate classification, should enter the "D" class. Competitors will shoot their individual events to determine their Games classification. **ENTER ONLY ONE "INDIVIDUAL" EVENT (either revolver or semi-automatic) AND ONE "TEAM" EVENT.**

In the 4-person team event, revolvers and semi-automatics combine. Team event is "revolver friendly". The Team roster should be sent with the registration form by the team captain. If a competitor wishes to register in the team event and is not on a team, they may contact the Sports Coordinator and request to be placed in a pool for the team event. At the discretion of the coordinator the person may be placed on a team on a first come first served basis. The team event is a separate stage from the Individual PAP Course.

Changing or switching firearms will not be permitted between the individual and team events. The weapon selected (either semi-automatic or revolver) must be used during the whole match. Competitors must be "qualified" (i.e. some type of formal training for safety purposes) with their weapon. Eye and ear protection required.
