

## Lesson Program for All Ages and Levels of Experience

Thank you for your interest in our program! Our goal is create well rounded Riders who learn to work with their horses and each other with excellent leadership, teamwork, and kindness.

We are experienced instructors with backgrounds in many English and Western disciplines, and we teach all ages and abilities. We maintain an exceptional group of school horses suited to many riders.

We teach in small groups on our very experienced school horses. We work with riders as young as 5, and we offer Saturday Pre-K Pony Pals sessions which are shorter in duration.

We also offer many other programs once our students are established in our lesson program: Young Riders Saddle Club, Dressage Groups, Ranch Groups, Show Team, and our After School teen program for example.

Contact us directly for current lesson openings. We look forward to answering any other questions you may have!
