Dear DCS Families:

The 2018-2019 school year has been a great year for our students and our school. It is hard to believe that we are now preparing to enter our ninth school year!

The future of Discovery Christian School is promising. Along with our school board, we are planning to make the first of our next improvements to the campus beginning in the next two months and continuing in years to come. For our first project, we will install Phase 1 of our covered walkways in front of the Administration Building. This decision is in response to your feedback that the safety of our students is of utmost importance. Phases 2 and 3 will be completed as funds become available.

Each year we extend an invitation to students currently enrolled to register for the upcoming school year. To secure your child's place for enrollment for the upcoming 2019-2020 school year, please complete the attached student registration form and return along with the \$50.00 fee per child by February 28, 2019. Open registration for new students begins March 1, 2019. At that time, the registration fee for returning students will be \$100.00 each. The 2019-2020 Enrollment Contract is included. We respectfully ask that you provide information in the entire registration packet so that we can update our records with all current student information.

We are excited about finishing this school year strong and look forward to continuing to strive for excellence in all that we do!

Sincerely,

Wendi Teten and Michele Thames, Co-Heads of School
