Quotes:

“My observations leave no doubt in my mind that the applicant exudes a level of integrity, perseverance, and social conscience that will allow him to be successful in his academic pursuits.” **Rob Terwilliger** - Senior Special Agent

“The support of the donor is very important, I believe that with the support of another individual it will push me even harder than I am currently pushing towards reaching my goals...We may never meet in person, but I can't express how much I appreciate you supporting my journey through college and being able to help fund it. I was very blessed with the opportunity to apply for the Anchor Scholarship but even more thankful that I will be receiving it.” **Benjamin**
