Spring.....What Are They Thinking? – Friday 2 pm

The Right Side Of The Track – The Positive Side Of Horseracing - Saturday 2 pm

Performance TWH -- Training, Showing. . . ? What next? – Saturday 4 pm

Dr. Gregory Beroza is an actively practicing veterinarian with advanced specialty certifications in both the American College of Veterinary Surgeons and the American Board of Veterinary Practitioners.

He is Chief of Staff of NY's Long Island Equine Medical Center PC with its full-service hospital in Huntington and an on-track office at Belmont Park.

Dr. Beroza is an award winning photo, video, print journalist and media consultant with over 100 publications and productions to his credit; publishing under the names HorseDoc® 'Talking Horses'®. He is also a radio commentator for Hofstra's WRHU 88.7 FM with his own soon-to-be released show; ONEonONE Stories.

The Long Island Equine Medical Center was founded in 1990 with offices in both Huntington, Long Island and Belmont Park Race Track. It is situated 15 miles east of New York City on 6 acres of Long Island property which also houses the historic 50 year old West Hills Polo Club. The LIEMC consists of a full service modern equine hospital housing a medical exam room, surgical suite and induction/recovery room all connected by an overhead monorail and hoist system, a pharmacy/ laboratory and an X-ray developing room; a 12 stall patient barn with 6 intensive care stalls; a 20 stall boarder barn; a 12 stall polo pony barn; a 300 by 160 foot sand-based exercise arena; a secondary exercise arena and 24 turn-out paddocks.

The Long Island Equine Medical Center P.C.
