

Agates Girls Soccer Playing with Heart

By John Sandstrom

The Two Harbors Agates girls soccer team has faced some quality teams early in this season. Coach Brice Hanson says, "We are playing well as a team. Our passing has improved a great deal already this year and we are playing a stronger technical game."

Hanson, who is entering his second year as head coach, has been with the program in a variety of capacities since 2007. "We have eighteen girls on the team and they are very coachable, they listen well and try new techniques even if they have yet to master them. They have positive attitudes and play hard all game."

Senior midfielder Meagan Bergerson is

a returning captain who has been playing varsity since she was a freshman. She said that having a young team brings challenges, but also brings the excitement of watching those young players develop." Last season we had a more experienced team, but I appreciate how hard our young players work. When we began captain's practices this fall, we wanted to make sure the seventh and eighth grade players had fun, and I think they did. While we are playing we all trust each other and everyone on our team gives 100% every game and every practice."

Junior co-captain Grace Swanson said the Agates played very well against

Grand Rapids, but dropped a heartbreaking 1-0 game last Thursday. "We had a lot of chances, but just couldn't finish." Swanson, who also runs track, aspires to play in college, but knows she has things in her game to work on and is using every opportunity to improve. "This has been a fun year," continued Swanson. "We are a better team than I expected. Our young players are really improving. We are playing a different style, by controlling the ball and passing a great deal. I like playing this style."

The Agates had a home rematch with Grand Rapids at 4 pm on Thursday, September 9th before facing Hibbing on Saturday, September 11th at Denfeld.
