Greetings, trail ride family!

Our board of directors recently met to evaluate which direction we should go, in holding our annual trail ride at the end of January. Because of the Covid-19 pandemic, and ensuing disruption of the usual venues that we use, and places we stay, we have decided to cancel this year's big ride. We would not have been able to hold dances, food service, or other gatherings. Several of our night stops were not available this year, and some of the lunch stops did not want crowds. The San Antonio Livestock Expo was not able to offer assistance, as they have in past years. This was not an easy decision for us. We have been down this trail for 62 years. But in the interest of the safety of our members, we felt it was the best decision we could make, under these trying times.

We look forward (post vaccine!) to being able to begin our 2021 year with our annual election and membership ride, queen's contest, and dance. Information will be coming in the next few months. Please check our Web page www.STTR.net and our Facebook page for details. We are eager to see our trail ride family again, and enjoy the friendship and good times. We wish you all 'Happy Trails' as we put 2020 in our rearview mirror, and begin a better New Year in 2021!
