

# **Champs Cup 2018 National Qualifier Presents: WKF Referee Fariba Madani Referee & Judges Certification**

Sensei FARIBA MADANI

Sensei Madani was the first U.S. female referee at the Pan American level, for both kata and kumite. She decided then to be the first female referee from the United States at the World level. She achieved this distinction in November 2004 at the world championships in Mexico.

In July 2005, during the USA-National Karate-Do Federation meeting, she was nominated to be a member of the referee council, the first woman ever to be named to the council.

It did not take long for the World Karate Federation (WKF) to recognize her talent and knowledge of Karate, to nominate her a member of WKF Referee Commission in 2010, the most prestigious position for any official. Once again, the first woman from USA to ever be nominated to this position.
