

Academic Coaching

Students work one on one with an academic coach with curriculum/lessons tailored to their specific needs.

Students needs include: areas of weakness, Lessons that are aligned with State learning standards, online support. (Currently only offered virtually)

Tutoring

Although our area of expertise is Academic Coaching, we also offer tutoring. This includes students providing the work (homework) and a NJ Certified Educator will support the student with their school work. Lesson plans and curriculum are not offered with this service.

Literacy Support

Is your child or someone you know struggling with reading? Let THE LITTLE GREEN HOUSE Educational Services support your reading needs. Today, 21% of the adults in the U.S. are illiterate, that means about 40

million people in the US can not read and write. 54% of adults reading below 6th grade reading level. THE LITTLE GREEN HOUSE Educational Service will teach anyone in need of building their literacy skills, the foundations of reading so they may feel confident when they are in school and or the workplace!
