SURGICAL TECHNOLOGY

Thank you for inquiring about Northwest Technical Institute's **Surgical Technology Program**. This is an 11-month program that begins in August and ends in June. There are **no prerequisite classes**, although college credited classes in Medical Terminology, Anatomy and Physiology I and II may be applied for course credit.

In order to be considered for registration into the Surgical Technology Program you must complete your file. **There is a file completion deadline of May 1st**. **A complete file contains:**

Application Fee \$10.00 to be paid when application and/or packet is mailed or turned in.

Surgical Technology Application Packet and DD-214, if applicable (**\$10.00 fee**)

Accuplacer Test Scores (\$10.00)

The **Accuplacer** is a Basic Arithmetic and Sentence skill exam. This test may be taken Monday through Friday from 7:30 a.m. until 12 p.m. A photo ID is required the day of testing. Please allow approximately **2 hours to complete the test**.

Students who score 85 or above on Accuplacer Math are eligible to test out of required MT 1103 Technical Mathematics I. Students scoring an 80 or higher on the NTI arithmetic test out exam will be given credit for MTH 1103 Technical Mathematics I.

Students must score a 92 or above on Accuplacer Sentence Skills to be considered for admissions and will be given credit for NPR 1403 Technical Communications

High School Transcript or GED scores

All high school and college transcripts need to be **OFFICIAL** transcripts. (An "**Official Transcript**" means. It has the embossed school seal imprint and is **sent directly** to the NTI Admissions Office. You will be responsible for any fees involved.

College Transcripts

All College transcripts need to be official transcripts (An "Official Transcript" means it has the embossed school seal imprint and sealed in an envelope and sent directly to the NTI Admissions Office. To receive transfer credit, you must have received a grade of "B" or better within the last 3 years for AP I, II and Medical Terminology. All other transfer credit will be accepted within 5 years.

Immunization Records

Two (2) Measles & Rubella (MMR) are required, if born on or after January 1, 1957. **Negative TB skin test** or a chest x-ray (allow three working days to complete this test). **Varicella:** You will need to show proof of 2 vaccines, proof of positive titer, or a not from your physician stating that you have a history of varicella (chicken pox). **DTAP:** Must be within the last 10 years and cover the entire program.

Two Employment References If you do not have 2 job references, we will need 3 Personal references.

Admission into the program is by selection

Approximately one to two weeks after file completion deadline, each applicant will receive information about interview dates. It is important to notify NTI of any phone or address changes. A selection committee composed of faculty members and the program director conducts the interviews. Members of the committee will score the individual by considering previous academic accomplishments, Accuplacer test score, previous health related experience, employment references, or personal references, hospital observation and a dexterity test.

After the interview process, the top applicants will be notified. They will be required to take a dexterity test and observe in the surgery setting. The dexterity test will be administered at NTI in the Surgical Technology Lab. There will be a \$25.00 fee. The standardized dexterity test will measure your dexterity skills and eye-hand coordination. The ST Program Director will set up your clinical observation and give you the paperwork and information you need to complete this requirement. You **MUST** have a negative TB Test on file at this point.

Financial aid is available; apply at this time as this may also qualify you for future scholarships. The cost of the program is approximately \$6,162. The amount is divided up, per semester. Please see the 2017-2018 anticipated expenses on the last page.

Classes meet Monday through Friday, 8am to 4pm beginning in August. Clinical hours are approximately, 6:00am to 2:30pm. Due to the intensity of this program, full-time employment is not possible. Part-time employment is difficult, but may be manageable. If you have any mental or physical health issues that might be detrimental to your success, please take them into consideration before applying for this program.

*There are certain prescription drugs and health conditions that will not allow students to participate in clinicals and therefore students may be exited or not selected for the Surgical Technology program. Please contact Director of Student Service Nick Ryburn for more information.

Please contact Jessica Melara by email regarding any paperwork. jmelara@nwti.edu

FINANCING YOUR EDUCATION AT NORTHWEST TECHNICAL INSTITUTE

APPLYING FOR FINANCIAL AID

Step 1: Complete the Free Application for Federal Student Aid (FAFSA). It can be completed online at www.fafsa.gov. Paper forms are available and must be requested individually on the FAFSA website. The online FAFSA is free, fast, and secure.

Step 2: Make sure you are filling out the FAFSA for the appropriate school year. It may be submitted after January 1 for the school year beginning the next fall. Information from prior year tax returns is needed (school year 2017-2018 will require you to have 2015 tax information). It is best to submit the FAFSA as early as possible.

Step 3: **Northwest Technical Institute's Federal School Code is 014044**. NTI's school code should be listed in the school code section of the FAFSA so that the application data will be sent to NTI and eligibility for assistance can be determined.

Step 4: When applying electronically be sure to submit the application by selecting the "Submit my FAFSA now" button on the last page. It is recommended to print a copy of the Confirmation Page for your files.

Step 5: If any further information or documents are necessary, NTI will notify the student. It is important to respond to requests in a timely manner. Once an application is finalized, NTI will send an award notice indicating types and amounts of assistance for which the student is eligible.

TIP: FAFSA4caster is a tool that provides students with an early estimate of their expected family contribution (EFC) and eligibility for federal student aid. A link to FAFSA4caster is also available on the FAFSA on the Web homepage. Remember this is simply an estimate to help students make important decisions as they prepare to further their education.

GRANTS

Duties and Responsibilities:

A surgical technologist is a healthcare professional whose primary responsibility is to maintain the sterile field, understand the procedure being performed, anticipate the needs of the surgeon, maintain a current knowledge base, maintain quality patient care during the operative procedure and maintain constant vigilance regarding the adherence of aseptic technique by all members of the surgical team. They handle necessary instruments, supplies and equipment necessary before, during and after the surgical procedure. In addition to the technical aspects of the profession, the technician must always be aware of the patient's condition and needs.

Special Qualifications:

In addition to minimum requirements regarding reading, language and math skills, the student must, unassisted:

1. Demonstrate the ability to comprehend and interpret written material.
2. Able to make appropriate judgment decisions.
3. Follow written and oral/verbal instructions in English.
4. Possess short- and long-term memory sufficient to perform tasks such as, but not limited to, mentally tracking surgical supplies and performing anticipation skills during the operation.
5. Synthesize information from written material and apply the knowledge to various situations.
6. Demonstrate the use of positive coping skills during patient, staff and faculty interactions.

Psychomotor Qualifications:

1. Vision – Normal, corrected. Demonstrate sufficient ability to load a fine 10-0 suture on a needle holder with or without corrective lenses and while wearing safety glasses. Demonstrate sufficient peripheral vision to anticipate and function while in the sterile surgical environment.
2. Hearing – Normal corrected or aid able. Hear and understand muffled communication without visualization of the communicator's mouth/lips within 20 feet. Hear activation/warning signals on equipment.
3. Smell – Able to detect odors sufficient to maintain environmental safety and patient needs.
4. Touch – Normal tactile sensitivity. Manipulate instruments, supplies and equipment with speed, dexterity and good eye-hand coordination.

Physical Qualifications:

1. Able to stand, bend, stoop and/or sit for long periods of time in one location with minimum or no breaks.
2. Able to lift from 50-75lbs, carry up to 75lbs., push up to 300lbs. and pull 100-200lbs., 34-67% of the time.
3. Able to refrain from nourishment or restroom breaks for periods of up to 6 hours.
