- Introduction to BBSI.** Your Worksite Employer is the company or organization where you report to work and/or that supervises you. Your Worksite Employer has entered into a contract with Barrett Business Services, Inc. ("BBSI") to assist with human resources related matters, such as payroll and workers' compensation insurance. The term "Worksite Employee" refers to you.
- Your Worksite Employer.** You acknowledge that your Worksite Employer, and not BBSI, is the Primary Employer for purposes of the services or work you perform and safety in the workplace. Your Worksite Employer retains control of the worksite, supervises and directs your day-to-day work activities, provides the facilities and furnishes the equipment and supplies for your work (including personal protective equipment, if any is required to perform your job duties), determines your work schedule, monitors your workload and productivity, ensures that you are properly trained to perform your job safely, ensures that you are covered by an effective Injury and Illness Prevention Program, and determines your rate of pay and job classification. You acknowledge that Worksite Employer, and not BBSI, receives the economic benefit of the services or work you perform. BBSI will take responsibility for certain administrative functions, as agreed upon between BBSI and your Worksite Employer.
- At-Will Status.** Your employment relationship with Worksite Employer remains at-will, which means it can be terminated by you or Worksite Employer with or without cause and with or without advance notice, unless you have a written employment contract with Worksite Employer providing you with something other than at-will employment with Worksite Employer. Regardless of the nature of your employment relationship with Worksite Employer, your status with BBSI can be terminated with or without cause and with or without advance notice. If your employment relationship with Worksite Employer ends, your status with BBSI will also end at that time. However, if your Worksite Employer and BBSI end their contract with one another, thereby terminating your status with BBSI, that event alone would not result in the termination of your employment relationship with Worksite Employer.
- Worksite Employer Paid Time Off and Other Benefits.** In the event that Worksite Employer maintains policies providing paid time off from work, such as vacation, sick leave, PTO, or paid leave for specific reasons such as pregnancy, Worksite Employer is solely responsible for funding or determining eligibility for benefits under such policies. BBSI does not provide, and has no policy providing, vacation or other paid time off benefits, except to the extent required by law. To the extent paid time off benefits are paid through BBSI's payroll, it is solely as an administrative service on behalf of Worksite Employer. Similarly, to the extent Worksite Employer provides other benefits pursuant to policies to which BBSI is not a party, such as severance pay, stock options, bonuses, profit sharing, retirement benefits, disability insurance, and so forth, Worksite Employer is solely responsible for providing such benefits (or procuring the benefits from third parties). To the extent state or local paid sick leave laws apply to you, Worksite Employer is responsible for providing such benefits both on behalf of Worksite Employer and on behalf of BBSI (to the extent BBSI has any obligations under such laws). By providing examples of potential Worksite Employer benefits, this Acknowledgment does not create any right to such benefits or imply that any such benefits exist.

5. **Wage and Hour Compliance.** Although BBSI processes the payroll for your compensation and may assist Worksite Employer with other administrative matters involving your compensation, only your Worksite Employer is able to ensure that: your hours of work are all captured and reported correctly for payment; you are classified correctly as exempt or non-exempt; you are paid overtime if overtime is applicable to you; you are reimbursed for reasonable work-related expenses; and you receive the breaks to which you may be entitled. You agree that Worksite Employer has sole control of these topics, and that therefore Worksite Employer is solely responsible for any claims you may have related to these topics.
6. **Accidents and Injuries.** Immediately report work related injuries or accidents, or unsafe working conditions to your supervisor, and contact BBSI if the situation is not timely addressed by your supervisor. You should immediately stop working if you feel your work area is unsafe. Additionally, if you are assigned work that you reasonably believe to be dangerous, you may refuse to do that work, and you should contact your supervisor or BBSI. Worksite Employer and BBSI reserve the right to require post-accident/post-injury drug and alcohol screening when permitted by law. Refer to the applicable drug and alcohol policy for more information on drug and alcohol screening.
7. **Alcohol and Drug Testing.** In the discretion of your Worksite Employer, you may be tested for Drugs (as defined below) and/or alcohol to the full extent permitted by the law of the state where you are employed, including but not limited to random, periodic, safety sensitive, post-accident, post-injury, and “cause” or “reasonable suspicion” testing. You may be suspended pending the results of the test. The conditions of the suspension will depend on the circumstances. Refusal to submit to drug and/or alcohol testing on a timely and cooperative basis, or tampering with the process or sample, will subject you to discipline up to and including termination. Possession, sale and/or use of drugs while on duty, during business travel, while operating a Worksite Employer owned vehicle, and/or while on Worksite Employer premises (or customer premises), is forbidden. Similarly, possession and/or consumption of alcoholic beverages, or being under the influence of alcohol, or having Drugs in your system, is prohibited in those same circumstances. For purposes of this policy, “Drugs” include unlawful substance, a lawful substance used or acquired unlawfully, and lawfully acquired and used drugs that may cause a safety hazard when used in conjunction with your job. An employee using prescription or over-the-counter drugs that may impair the employee’s ability to safely perform the job, or affect the safety of others, must notify a supervisor immediately before starting or resuming work. In order to enforce this policy, the Worksite Employer reserves the right to conduct searches of Worksite Employer property, employees and/or personal property, and to implement other measures necessary to deter and detect violation of this policy. Failure to comply with these rules regarding drugs and alcohol will subject you to discipline up to and including termination.
8. **Employee Expense Reimbursements.** Although BBSI may disperse expense reimbursements related to your work for your Worksite Employer, your Worksite Employer is solely responsible for determining the amount of reimbursement owed and administering all expense reimbursement programs and policies. BBSI’s only role with respect to expense reimbursement is disbursement of the funds provided by Worksite Employer in amounts determined by Worksite Employer.
9. **Other Worksite Employer Policies.** Your Worksite Employer will have other rules, policies and procedures you must follow. If you have any questions about those items, please consult your supervisor or another member of management at your Worksite Employer. It is your responsibility to remain informed regarding changes or updates in rules, policies, and procedures.
10. **Agreement.** Your signature below confirms that you understand, acknowledge, and agree to the terms, conditions, facts, and policies set forth in this document. This document is not a contract for continued employment nor does it guarantee the provision of any set benefit or wage. This Acknowledgment supersedes any prior verbal or written promises or discussions regarding the subjects set forth herein. Should any term or provision of this Acknowledgment, or portion thereof, be declared void or unenforceable it shall be severed and the remainder of this Acknowledgment shall be enforceable. The terms of this Acknowledgment may only be changed in writing, by an authorized representative of BBSI.

Workers' Compensation Fraud Notice

Workers' Compensation fraud will not be tolerated by Barrett Business Services, Inc. ("BBSI"), and will be pursued to the fullest extent. A person commits workers' compensation fraud when, in the course of reporting a claim to obtain benefits, he or she intentionally misrepresents a material fact to obtain a benefit to which a claimant is not otherwise entitled. A misrepresentation is material when it is relevant to whether benefits will be paid or the amount of the benefits to be paid.

Some Examples of Workers' Compensation Fraud:

- Filing a workers' compensation claim for an injury that is known with certainty to be completely unrelated to employment.
- Lying about earnings received from employment other than the employment in which you were injured.
- Purposely misleading or exaggerating one's current medical condition to receive workers' compensation benefits.

Making false or misleading statements to obtain workers' compensation benefits may result in civil and criminal penalties for the individuals that make such statements. BBSI will notify the workers' compensation insurance organization if we have reason to believe an employee has supplied false or misleading information in connection with a claim. Workers' compensation fraud may be grounds for disciplinary action, up to and including termination of employment. BBSI supports activities to detect and combat workers' compensation fraud.

This letter is not intended to discourage the legitimate use of the workers' compensation system. You should immediately report any injury that you believe is work related to your supervisor and BBSI.

Please sign and return this to your BBSI representative during orientation. Please let us know if you have any questions.

I acknowledge receiving this information and understand the content in this memo.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 **and** you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
 - a** Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a **2a** \$ _____
 - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b **2b** \$ _____
 - c** Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____
- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. **3** _____
- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) **4** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____
- 2** Enter: $\left\{ \begin{array}{l} \bullet \$25,900 \text{ if you're married filing jointly or qualifying widow(er)} \\ \bullet \$19,400 \text{ if you're head of household} \\ \bullet \$12,950 \text{ if you're single or married filing separately} \end{array} \right\}$ **2** \$ _____
- 3** If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" **3** \$ _____
- 4** Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information **4** \$ _____
- 5 Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 **5** \$ _____

Employee's Signature _____ Date _____

Employer's Section: Employer's Name and Address	California Employer Payroll Tax Account Number

PURPOSE: This certificate, DE 4, is for **California Personal Income Tax (PIT) withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, *Employee's Withholding Allowance Certificate* (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form *Employee's Withholding Allowance Certificate* (DE 4) to determine the appropriate California Personal Income Tax (PIT) withholding.

If you do not provide your employer with a withholding certificate, the employer must use Single with Zero withholding allowance.

CHECK YOUR WITHHOLDING: After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

EXEMPTION FROM WITHHOLDING: If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

1. You did not owe any federal/state income tax last year, and
2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating EXEMPT must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

Member Service Civil Relief Act: Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax on your wages if

- (i) your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) you are present in California solely to be with your spouse; and
- (iii) you maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

The [California Employer's Guide \(DE 44\) \(PDF, 2.4 MB\)](http://edd.ca.gov/pdf_pub_ctr/de44.pdf) (edd.ca.gov/pdf_pub_ctr/de44.pdf) provides the income tax withholding tables. This publication may be found by visiting [Forms and Publications](http://edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm) (edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm). To assist you in calculating your tax liability, please visit the [Franchise Tax Board \(FTB\)](http://ftb.ca.gov) (ftb.ca.gov).

If you need information on your last California Resident Income Tax Return (FTB Form 540), visit the [Franchise Tax Board \(FTB\)](http://ftb.ca.gov) (ftb.ca.gov).

NOTIFICATION: The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of [Title 22, California Code of Regulations \(CCR\)](#), the FTB or the EDD may, by special direction in writing, require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

PENALTY: You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the [California Unemployment Insurance Code](#) and section 19176 of the [Revenue and Taxation Code](#).

WORKSHEETS

INSTRUCTIONS — 1 — ALLOWANCES*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

TWO-EARNERS/MULTIPLE INCOMES: When earnings are derived from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

MARRIED BUT NOT LIVING WITH YOUR SPOUSE: You may check the "Head of Household" marital status box if you meet all of the following tests:

- (1) Your spouse will not live with you **at any time** during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; **and**
- (3) You will file a separate return for the year.

HEAD OF HOUSEHOLD: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

INSTRUCTIONS — 2 — (OPTIONAL) ADDITIONAL WITHHOLDING ALLOWANCES

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

WORKSHEET B

ESTIMATED DEDUCTIONS

Use this worksheet **only** if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding.

- | | |
|---|------|
| 1. Enter an estimate of your itemized deductions for California taxes for this tax year as listed in the schedules in the FTB Form 540 | 1. |
| 2. Enter \$9,074 if married filing joint with two or more allowances, unmarried head of household, or qualifying widow(er) with dependent(s) or \$4,537 if single or married filing separately, dual income married, or married with multiple employers | 2. |
| 3. Subtract line 2 from line 1, enter difference | = 3. |
| 4. Enter an estimate of your adjustments to income (alimony payments, IRA deposits) | + 4. |
| 5. Add line 4 to line 3, enter sum | = 5. |
| 6. Enter an estimate of your nonwage income (dividends, interest income, alimony receipts) | - 6. |
| 7. If line 5 is greater than line 6 (if less, see below [go to line 9]); Subtract line 6 from line 5, enter difference | = 7. |
| 8. Divide the amount on line 7 by \$1,000, round any fraction to the nearest whole number | 8. |
| Add this number to Line F of Worksheet A and enter it on line 1 of the DE 4. Complete Worksheet C, if needed, otherwise stop here . | |
| 9. If line 6 is greater than line 5; Enter amount from line 6 (nonwage income) | 9. |
| 10. Enter amount from line 5 (deductions) | 10. |
| 11. Subtract line 10 from line 9, enter difference | 11. |

Complete Worksheet C

*Wages paid to registered domestic partners will be treated the same for state income tax purposes as wages paid to spouses for California PIT withholding and PIT wages. This law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at 1-888-745-3886.

WORKSHEET C
ADDITIONAL TAX WITHHOLDING AND ESTIMATED TAX

1. Enter estimate of total wages for tax year 2020. 1.
2. Enter estimate of nonwage income (line 6 of Worksheet B). 2.
3. Add line 1 and line 2. Enter sum. 3.
4. Enter itemized deductions or standard deduction (line 1 or 2 of Worksheet B, whichever is largest). 4.
5. Enter adjustments to income (line 4 of Worksheet B). 5.
6. Add line 4 and line 5. Enter sum. 6.
7. Subtract line 6 from line 3. Enter difference. 7.
8. Figure your tax liability for the amount on line 7 by using the 2020 tax rate schedules below. 8.
9. Enter personal exemptions (line F of Worksheet A x \$134.20). 9.
10. Subtract line 9 from line 8. Enter difference. 10.
11. Enter any tax credits. (See FTB Form 540). 11.
12. Subtract line 11 from line 10. Enter difference. This is your total tax liability. 12.
13. Calculate the tax withheld and estimated to be withheld during 2020. Contact your employer to request the amount that will be withheld on your wages based on the marital status and number of withholding allowances you will claim for 2020. Multiply the estimated amount to be withheld by the number of pay periods left in the year. Add the total to the amount already withheld for 2020. 13.
14. Subtract line 13 from line 12. Enter difference. If this is less than zero, you do not need to have additional taxes withheld. 14.
15. Divide line 14 by the number of pay periods remaining in the year. Enter this figure on line 2 of the DE 4. 15.

NOTE: Your employer is not required to withhold the additional amount requested on line 2 of your DE 4. If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

STATE OF CALIFORNIA - DEPARTMENT OF INDUSTRIAL RELATIONS
Division of Workers' Compensation

Notice to Employees--Injuries Caused By Work

You may be entitled to workers' compensation benefits if you are injured or become ill because of your job. Workers' compensation covers most work-related physical or mental injuries and illnesses. An injury or illness can be caused by one event (such as hurting your back in a fall) or by repeated exposures (such as hurting your wrist from doing the same motion over and over).

Benefits. Workers' compensation benefits include:

- **Medical Care:** Doctor visits, hospital services, physical therapy, lab tests, x-rays, medicines, medical equipment and travel costs that are reasonably necessary to treat your injury. You should never see a bill. There are limits on chiropractic, physical therapy and occupational therapy visits.
- **Temporary Disability (TD) Benefits:** Payments if you lose wages while recovering. For most injuries, TD benefits may not be paid for more than 104 weeks within five years from the date of injury.
- **Permanent Disability (PD) Benefits:** Payments if you do not recover completely and your injury causes a permanent loss of physical or mental function that a doctor can measure.
- **Supplemental Job Displacement Benefit:** A nontransferable voucher, if you are injured on or after 1/1/2004, your injury causes permanent disability, and your employer does not offer you regular, modified, or alternative work.
- **Death Benefits:** Paid to your dependents if you die from a work-related injury or illness.

Naming Your Own Physician Before Injury or Illness (Predesignation). You may be able to choose the doctor who will treat you for a job injury or illness. If eligible, you must tell your employer, in writing, the name and address of your personal physician or medical group *before* you are injured. You must obtain their agreement to treat you for your work injury. For instructions, see the written information about workers' compensation that your employer is required to give to new employees.

If You Get Hurt:

1. **Get Medical Care.** If you need emergency care, call 911 for help immediately from the hospital, ambulance, fire department or police department. If you need first aid, contact your employer.
2. **Report Your Injury.** Report the injury immediately to your supervisor or to an employer representative. Don't delay. There are time limits. If you wait too long, you may lose your right to benefits. Your employer is required to provide you with a claim form within one working day after learning about your injury. Within one working day after you file a claim form, your employer or claims administrator must authorize the provision of all treatment, up to ten thousand dollars, consistent with the applicable treatment guidelines, for your alleged injury until the claim is accepted or rejected.
3. **See Your Primary Treating Physician (PTP).** This is the doctor with overall responsibility for treating your injury or illness.
 - If you predesignated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
 - If your employer is using a medical provider network (MPN) or a health care organization (HCO), in most cases you will be treated within the MPN or HCO unless you predesignated a personal physician or medical group. An MPN is a group of physicians and health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
 - If your employer is not using an MPN or HCO, in most cases the claims administrator can choose the doctor who first treats you when you are injured, unless you predesignated a personal physician or medical group.
4. **Medical Provider Networks.** Your employer may be using an MPN, which is a group of health care providers designated to provide treatment to workers injured on the job. If you have predesignated a personal physician or medical group prior to your work injury, then you may go there to receive treatment from your predesignated doctor. If you are treating with a non-MPN doctor for an existing injury, you may be required to change to a doctor within the MPN. For more information, see the MPN contact information below:
