SEPTEMBER 1 @ 2 PM

Highland County Fair 4-H/FFA Livestock Sale

PO Box 23, Monterey VA 24465

Ph. (540) 468-2225

Purchasing Livestock

It is important for buyers/sponsors to know how to purchase 4-H and FFA livestock. The following options are available:

- **Purchase Out-right:** A buyer purchasing livestock out-right needs to make arrangements on picking up their newly purchased animal on Saturday **after** the sale.
- **Purchase for Home Use:** The buyer can purchase livestock to be put in home freezer. Contact 468-2225 for details and arrangements for processing. When livestock is slaughtered for home use, sales tax will be charged unless a signed tax exempt form is submitted.
- **Purchase with resale at floor price:** The buyer/sponsor may buy livestock with the intention of reselling the livestock at floor price that is auctioned prior to the sale of each species of livestock. Buyer pays the difference between floor price and the price they bid on the animal.
- **Overall Sponsor Fund:** Contributions in any amount may be made to the Overall Sponsor Fund to help offset each exhibitors' project animal expenses. This fund will benefit all 4-H & FFA livestock exhibitors. Anyone wishing to contribute to this fund can call 540-468-2225 or see sales clerk during sale.
- If wishing to sponsor a specific exhibitor, sponsor needs to make gift directly to individual.

The 2018 Livestock Show and Sale will consist of 37 exhibitors from Highland County 4-H and FFA memberships. Each exhibitor is required to complete Youth Quality of Care Assurance training, complete a record book for each species exhibiting and submit for judging, and participate in at least six club/organization meetings and/or activities in addition to serving on one of the fair committees.

Your support of this hands-on educational project is greatly appreciated.
