## From the Presidents' Desk

### 21ST CENTURY LIMITED

News Flash! The Trail Duster Express has overtaken the 20th Century Limited as "The Most Famous Train in the World!" The New York Central ran a luxurious, high speed train from New York City to Chicago, starting in 1912. By 1938, the travel time between cities was an astounding 18 hours. Male passengers were given a carnation and the women received flowers and perfume, too. In the thirties, the New York Central refunded passengers \$1 for every minute the train was late. Alas, this one time symbol of modern transportation was put to rest in 1967, as travelers were not riding the rails anymore and opted for air travel instead.

The Trail Duster Express is the 21st century version of the 20th Century Limited. It does not refund \$1 for every time the class ends late. Nor does it give flowers to its passengers, much less perfume, but of course, many tasty (and high caloric) treats are plentiful. More importantly, the Trail Duster Express offers high speed fun to Trail and Rail Dusters alike, with classes starting in September and running until graduation in June. And this train has been picking up speed the whole time, now

cruising just below the sound barrier.

It is gratifying to see how far the Rail Dusters have come in seven months. They are now speeding through Plus calls including Diamond Circulate, Load the Boat, and Acey Deucey. The April 13th class was a jaw dropper. Arlen taught the infamous Relay the Deucey and he had the class practice this call over and over again, and the students actually got it! Well, some more than others, but they will be getting it soon, with additional practice in future classes. In fact, the Rail Dusters will be able to do it blind folded and backwards. Just you watch.

Speaking of Arlen, he is helping the train move faster. We appreciate his reviewing previously taught calls during the first half hour of class. This really makes a difference for the Rail Dusters. To top this off, Arlen gave up part of a Sunday to run a workshop for the Rail Dusters. The workshop really kept the Trail Duster Express racing round the bend in the track, but you can read more about that in the Coordinator's Column. A tip of the hat to Arlen for leading and to Caren & Sherwin for volunteering their home.

Let's not forget the angels!. You angels have been the fuel that keeps the Express speeding along. We truly appreciate your helping the Rail Dusters in class and showing up so regularly. Your support has been a big part of the Rail Dusters' progress towards graduation.

Next stop is the May weekend. A gaggle of Trail Dusters and Rail Dusters have signed up for this fun event and a good time for all is certain. Don't forget to get back on the Trail Duster Express as it heads home to Bay Laurel and graduation.

All Aboard. We are tooting our horns, even though we aren't loading boats!

The date of our next Club dance is **May 14<sup>th</sup>** and once again the evening will be full of friendship and fun! Dick Hodnefield returns to our Club to call. Every month we report

- how good the caller will be
- how smooth and entertaining Milo Molitoris is as Round Dance cuer

- how delicious and varied the food will be

- how much friendship and laughter will be enjoyed by all who attend
- how your Club and Board need your support and every month our report proves to have been accurate. So believe us when we tell you to come on May 14<sup>th</sup> and be part of the action.

**KNOW YOUR MAY 14 CALLER - DICK HODNEFIELD**

**Dick Hodnefield** and his wife, Gayle, graduated from a square dance class in the spring of 1972 in St. Paul, Minn. In August of that same year, Dick attended a weekend New Caller School. He had no intentions of ever becoming a caller, Dick just had to know how it worked! By the end of the weekend, he was hooked.

By September of 1973, he had become the club teacher and caller for three clubs in the St. Paul area. Dick also started his own club, the Spin Chain Gang, which is one of the largest clubs in the Twin Cities area.

Dick and Gayle and their two children, Curt and Pam, moved to California in June 1978. Dick started filling in for callers where he could, and in September of 1980 became the class teacher for the Boots and Slippers in Simi Valley and called for all our local clubs. Dick also taught the Trail Dusters from 1981 – 2001.

Currently Dick teaches the Boots & Slippers classes.

Sooooo, don't miss our May dance or you will miss dancing to our very special friend.

**Pat Kessler**

**Our Last month's dance**  
**Destitute Dance**

With taxes right around the corner, we had our "Destitute Dance". Farryl and Bill Dickter, our presidents, greeted everyone as they entered the room. Three of our Trail Dusters

swept "Split the Pot", each caressing their envelope knowing that they wouldn't have to report their winnings to the IRS!

Many thanks to **Nancy & Richard Wallach** and their kitchen crew who managed to feed us peanut butter & jelly sandwiches, veggies

and delicious ice cream and cookies for a snack. We needed lots of energy to dance to Romney

Tannehill, who kept us moving fast and furious through his calls.

We hope that by the time you read this, your refunds will have arrived, your extensions have been filed, or that you have recovered from the financial shock of Uncle Sam's bills. Be sure to join us for our Strawberry Social with Dick Hodnefield on Saturday, May 14<sup>th</sup> at next Month's dance.

## Coordinators Corner

Our Walk Through Workshop held on Sunday April 6, 2016 had success written all over it from the start. This year we have a dedicated class of twenty two Rail Dusters and twenty out of twenty two attended. We had five squares of Rail Dusters and Angels. Our teacher and caller,

**Arlen Miller**, was really on his game. For two and a half hours

he walked us through basic and mainstream calls but placed his

emphasis on the plus calls "Load

The Boat, Teacup Chain, and Diamond Circulate".

All the students felt they learned a great deal from this workshop. One Rail Duster commented that she loves our workshops and learns a lot from each one.

Another commented that the change of venue and relaxed atmosphere at Caren & Sherwin's home and the repetition were most

helpful. In our class which

followed the workshop, the Rail Dusters showed a marked improvement in their dancing skills. Good job Rail Dusters!

A big "Thank You" goes to **Arlen**

for volunteering his time and expertise in teaching this workshop. Another big "Thank You" goes to **Caren Blumfield & Sherwin Silver** for generously opening their home. We also have a big "Thank You" for all the Trail Duster Angels who came out to this event and made it a success.

As Coordinators, we are thrilled and encouraged by the success of

this event. So far this year we

have held two workshops and both have helped our Rail Dusters become better dancers.

I would like to introduce you to another of our new Rail Dusters, **Joyce Smith.**

**Joyce Smith** has been friends with many of our Trail Dusters for years. **Maureen and Shelly Fried** originally introduced her to us. Unfortunately, Joyce has been recently widowed. She has two daughters, Debbie and Sheryl, and two grandchildren, Alec and Sofia, to give her much love and support.

Joyce was born in Detroit, Michigan, but moved to California in 1954. She has a degree from Valley College. Joyce was the former owner of the Pretzel and Cheese shop in Northridge. Admit it, haven't you all looked at and smelled the pretzels there and wished you could stop and eat one! We hope Joyce is enjoying her square dancing experience. We all wish her the best as she pursues exciting adventures in her future.

**TIP ON USING SOAP**

Remove wallpaper glue by mixing soap with warm water and sponging it on the walls.

**Sunshine & Showers**

It is with much sadness that we announce the passing of Trail Duster family member **Wayne Collier**, beloved husband of **Lana Collier.** **Wayne** and Lana were graduates of the Class of '98 and have been active in Club activities up until recently. **Wayne** was diagnosed with brain cancer for which he underwent surgery, but complications over the past month - including pneumonia finally took him on April 8<sup>th</sup>. His funeral was held on April 12<sup>th</sup>. Our heartfelt sympathy is expressed to you, Lana, and to your family. May all the memories of your nearly 53 years of marriage serve to bring you comfort now, and hopefully, the friendship of your many Trail Duster friends can play some part in your healing.

Sincere condolences go out to **Simcha Saul** on the April 4<sup>th</sup> passing of his 93-year-old mother, Martha Saul. A strong woman who decided to attend college while raising 3 children. Martha Saul ultimately taught English at Valley College and also created programs there to help students become better writers. **Sim**, it is hoped that the memories you and your siblings have of your Mother, especially those filled with humor, will help you now at this difficult time and in the days to come.

Get well wishes are extended to Milton Kerker, **Ruth Ann Hapner's** 95-year-old Father who is recovering from several recent falls. Thankfully, he is out of the hospital and has returned home to University Village and to his beloved wife of nearly 70 years. Hopefully, **Ruth Ann**, you will continue to enjoy your almost daily

visits with your parents for some time to come!  
To all our Trail Duster family (including Rail Dusters!) we hope that life will bestow lots of "sunshine" upon you and your loved ones. Please remember to share those special occasions and events with me so that the rest of our "family" can share them with you. At the same time, if "showers" come your way, it is important to share those happenings with me as well so that others can show you their support, and perhaps offer you some needed help and caring. That's what a family is for!

With warm wishes for your health and happiness,

**TRAIL DUSTERS SALUTE OUR TROOPS FOR OUR MAY 20 – 22 SPRING WEEKEND**

The anticipation is building for the 78 Rail and Trail

Dusters, who will be attending our Spring Weekend. It has been years since we have had this many participants and we have already filled up the hotel's banquet room. Finishing touches are being made to the newly renovated hotel and we are so excited to see everything because we thought the hotel was fabulous before the remodel!

We have attached our "Places to Go and "Things to See" plus our tentative "Schedule of Events" on pages 12-14. You will also be

receiving additional information and instructions regarding the weekend. We already have 50 people going to the Nixon Library! If you still want to take this docent tour, see flier on page 11 and send in your reservations.

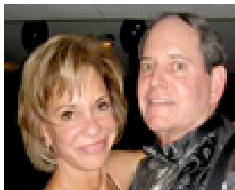

Our theme is USO so get your outfit ready from the 40's or military attire. You can also dress in red, white and blue. Your attire can be as simple as a bandana or as elaborate as you want. (Soldiers, red cross workers, doctors, gangsters, famous movie stars).

Rehearsals for the Weekend play are in progress and the cast will be ready to

perform for you on Saturday, May 21. We have many games and activities planned to surprise you. Just think about the prizes you could take home (but don't fantasize too much). We will be putting sign-up sheets in the hotel for the various activities.

Our new officers will be installed and we will laugh our heads off with Judith Altman at the famous "joke-off." We will take plenty of photos and videos to show to those of you who couldn't make it and we know you will all want to rush to sign up for next year!

## Ways & Means

Hi Trail Dusters & Rail Dusters,

We continue to have great turnouts at our pre-class dinners. We had 38 people on April 13th - wow!!!! It is such a great way to get to know all the square dancers in our terrific club. Not only are we enjoying delicious food together, but the talking, laughing, and socializing is incredible. And in addition to all of that, we are raising money for our club each week. It is really a great arrangement - **a win-win - eating and getting paid for it.**

Now that the days are getting longer we're back to dining on the patios of some of our favorite spots. The restaurants are very hospitable. They love to see us because of the size of our group. We hope you all keep coming, and for those who haven't joined us now is a great time. We meet at 5:45 and stay for about an hour. Our dance class always starts promptly at 7 PM.

**Our schedule for May is as follows:**

May 4 Hook Burger  
May 11 Corner Bakery  
May 18 Salad Farm  
May 25 California Pita

Please check your weekly e-mails in case of any last minute changes.
