### Looking Back FIRST BABY BORN IN LIONS BAY

Sharon and Alex Dalrymple bought their first lot in Lions Bay in 1959. The young couple camped that summer on their piece of land. Relatives and friends voiced their concern. Sleeping in a tent was not enough protection against the wildlife in Lions Bay. The warnings did not stop the young pioneers. They knew that the move to the country might even mean encounters with bears.

In 1960 they started to build their home on Seaview. During this time they lived in Gordon and Robin Kern's house on Seaview Place. The young couple expected their first child in 1961. Sharon gave birth to a healthy and beautiful baby girl Chrisandra Mary Dalrymple (Chrisan) was born on Sunday, October 22, 1961 at 6.33 p.m. She was born at St. Vincent's Hospital in Vancouver. She weighed 7 lbs. 11 ozs. Chrisan has two siblings, a sister, Janice Loree Dalrymple (Spencer) born December 5, 1963 and a brother Benjamin Knox Dalrymple born June 20, 1965.

Chrisan had great times growing up in beautiful Lions Bay and spent hours playing outdoors at home and at the beach-park. She loved bike riding, skating, boat rides and water sports and had great fun with pets, a Samoyed dog "Kemi" and two cats Willie and Suzi. She had lessons on piano, and guitar and enjoyed music. She was in Brownies, Guides and CGIT at West Vancouver United Church with her friends. She was driven to Gleneagles School for kindergarten, and then went on the bus for grades one through seven.

She graduated from West Vancouver High School and has a degree in Arts from Trinity Western University. She is presently an office manager working in West Vancouver with prior experience in personnel and banking. She has traveled to many countries, including Asia, Australia, the Caribbean, England, France, Hawaii,

Mexico, Spain and South America. She has always been happy and thankful for the privilege of growing up and living in Lions Bay. Her family and friends are all proud of her wonderful achievements and of the truly fine person she is. Her parents Sharon and Alex Dalrymple and her sister Janice still live in Lions Bay. The Dalrymples have lived in Lions Bay longer than anyone else.
