

THE HAGUE CHRONICLE

VOLUME 16 NO. 8

HAGUE, NY 12836

AUGUST 1987

ARTS FAIR SLATED

The 15th annual Chamber of Commerce Arts and Crafts Fair featuring a wide variety of handcrafted items will be held on August 22 and 23 in our Town Park. Artisans will offer quilts, pillows, macramé, jewelry, stoneware, wooden articles and various types of paintings. Home baked goods will be for sale. All items must be hand-made or home-baked.

The Fish and Game Club will sell refreshments both days and a Lobster and Steak Roast will be held on Saturday. (See below). Set up tables and tarps are to be furnished by exhibitors. Display will be from 10 AM - 5 PM both days. Exhibitors will be assessed each day per site or for both days. Registration deadline is August 15, 1987. If you need an application - call 543-6353.

....Chamber of Commerce,
Hague, NY 12836

SOUTH PACIFIC TO BE SHOWN AT SILVER BAY

The EMPS show this year at the Silver Bay Association will be held on Aug. 19, 20 and 21. On Wednesday, August 19, the stage will be set and the curtain will go up on a performance of SOUTH PACIFIC at 8:15 PM. This performance will benefit the Hague Volunteer Fire Department. Tickets are \$5.00 for adults and \$2.50 for children.

The EMPS always put on a great show. Support the Hague Fire Department and Silver Bay EMPS by attending this production.

STEAK AND LOBSTER ROAST

The Hague Fish and Game Club will be sponsoring a Steak and Lobster Roast at their clubhouse on the West Hague Road on August 22 from 3PM. Price is \$15.00, including clams. Extra clams are also available. Music will be furnished for those attending.

Attend the Arts Fair and then on to the STEAK AND LOBSTER ROAST!

REV. VAN VLIET RETIRES

After 7-1/2 years as pastor of the Hague Baptist Church, Rev. Barton Van Vliet and his wife, Agnes, will retire to Port Byron, N.Y. He will preach his last sermon and serve communion on August 30.

The members of the Hague Baptist Church will be honoring the Van Vliets with a special "day" on August 30. A buffet will be served following the morning service. An open house will be held during this time until five o'clock. At 3 PM a recognition service will be held in the sanctuary. All members and friends of the Hague Baptist Church are welcome to attend any or all of these events, to wish the Van Vliets well in their retirement. For further information, call Mrs. Pearson at 585-7337.

This year marks the 40th year of Mr. Van Vliet's ordination. He has been active in the Ticonderoga Ministerial Association, the Moses Ludington Nursing Home, and has been a very active member of the Hague community, serving in various capacities.

THE HAGUE CHRONICLE staff joins the members of the Hague community in wishing the Van Vliets a very happy retirement.

HVFD TO THE RESCUE!

On August 4, traffic along Rt. 9N was blocked for more than seven hours after a truck carrying hazardous materials overturned on Tongue Mt. The first official people at the scene - and the last to leave - were members of the Hague Volunteer Fire Department under the direction of Chief Paul Davis. Within three minutes of the call 1st Asst. Chief James Young radioed Warren County Fire Control informing of the hazardous material spill.

.....cont. on p. 2

HVFD (cont. from page 1)

Two minutes later the first fire truck arrived at the scene and hoses were charged within 60 seconds. Eight minutes later the Hague Ambulance arrived with three first responders and Emergency Medical Technician Acting Capt. Wendy Heritage. An EMT from Ti also assisted in taking the driver of the truck to Moses Ludington Hospital.

At the same time the fire police under the direction of Capt. Ken Yaw arrived to block the entire mountain and direct traffic up Rt. 8 to the Northway. Marilyn Priore organized the making of sandwiches and drinks for the volunteers.

The town of Hague can be very proud of its fine fire department and its many volunteers. Without them, our lives and homes would be in jeopardy. We ALL owe them a big vote of thanks. djh

DUCKS UNLIMITED TO HOLD BENEFIT DINNER

A little over a year ago, conservationists and sportsmen from Hague, Silver Bay, and Bolton Landing got together and founded the Hague chapter of Ducks Unlimited. The first fund raising effort was held at the Beachside in mid-August 1986 and was a cocktail hour, a complete and delicious prime rib dinner, and an exciting auction of wildlife art and related objects. This year, encouraged by the enthusiastic response to last year's party, the committee has selected Friday, September 11 and the Silver Bay Lodge as the time and place for an even better banquet (prime rib) and auction than last year.

A cash bar will be available from 6 to 7 pm and all auction and raffle items will be on display at that time. A short film showing some of DU's habitat conservation projects will be shown and Mr. Gary Wills, Regional Director of DU will comment on a few topics of local interest.

DU for its 50 year history, has devoted its efforts solely to improving duck breeding habitat in North America. The recovery of duck populations from the perilous lows of the early 30's to the levels of today, along with the growth of DU to an organization of over 600,000 members in over 3800 chapters nationwide, attests to the success of its efforts.

Support your DU community program, as well as enjoy a fun evening by planning to attend the banquet on September 11. Tickets are available at the Hague Market and the Silver Bay Store, as well as from all DU members. For further information, call Bob Bryant at 543-6346.

WILLY C'S JULY/AUGUST WEATHER NOTES

July was a super summer month if you were vacationing at Lake George. For those of you who were not vacationing and who don't like the heat it was tough sledding, particularly so if one, in fact, had to sled. Hazy, hot and humid days, nine of them in the 90's and three others just under 90°. The highest temperature was 98° on the 24th. The lowest was 50-1/2° on the 19th, with a record low of 38° at Westport, NY on the same day. Interlaced in all of this were some magnificent summer days and nights with temperatures in the high 70's and low 80's and lows in the high 50's and 60's, all coupled with low humidity and relatively gentle summer breezes. Top wind gust was 29 MPH on the 30th. Rainfall was below normal at 2.13 inches for the month. No raucous thunderstorms, just a few gentle ones, which we all enjoy, and a loss of 49 minutes of daylight rounded out the events for the month.

With the ninety degree temperatures breaking back on July 26th, August has continued the trend of delightful summer weather. Rainfall on the 2nd and 3rd of the month, with a nice soaking rain of just under an inch on the 9th and 10th. Cool, pleasant weather has settled in today, the 11th, with the air temperature at 11:00 AM at 64°, the water temperature at 72°. A gradual warming trend is expected, with increasing humidity toward the end of the week. Here we are coming up on the half way mark in August and thus far the weather has been ideal. We have had some sunshine every day in July except the 2nd, 3rd and 7th and one full cloudy day in August on the 10th.

As they say in the Old Milwaukee Commercial, "It doesn't get any better than this."

HVFD RUMMAGE SALE

The Hague Volunteer Fire Department will hold a food and rummage sale on September 24th, 25th and 26th from 9 AM to 2 PM.

Rummage items may be left at the firehouse September 21st, 22nd and 23rd from 9 AM to 12 noon. For pick up call 543-6029.

This is a good time to clean out your closets before you leave for the winter.

ZONING BOARD OF APPEALS - 7/23/87

In a surprise letter, read to a large audience, Tom James, Chairman ZBA, announced his resignation from the Board, stating as his reason, disagreement with the legal opinion of our town attorney on the definition of Ordinance 9.020 and the acceptance of that opinion by the town board. Edna Frasier continued the meeting as acting chairman.

A variance request by Claudia Perry (Busy Bee Trailer Park) was discussed and a public hearing has been set for August 27 at 7 PM, the date of the next ZBA meeting.

A discussion of Ord. 9.020 (conversions) followed with input by Jack Carney and Ed Crabbs, both members of the original Planning Board, who developed our zoning code. Most who spoke seemed to feel the ordinance was clear. We were reminded again that the Zoning Board can recommend an interpretation and the Planning Board decides the number of allowable units.

Jim Ward filed an application for an increase of certain properties that are non-conforming. Motion made by Belden, seconded by Feibusch to accept Tim Costello's (Developmental Administrator) plan for size increase on Ward property.

An executive session was held immediately following the regular meeting at which Edna Frasier was elected ZBA chairman....G.Lindquist

HAGUE PLANNING BOARD - 8/6/87

A near capacity crowd attended the regular meeting of the Hague Planning Board to learn if a decision had been reached as to the interpretation of Article 9, section 9.020 of the Town of Hague Zoning Ordinance that pertains to the conversion of certain existing uses of structures that existed on the effective date of the ordinance.

Following the announcement by Chairman Costello that the Zoning Board of Appeals had not as yet agreed upon an interpretation, Mr. Costello requested that Mr. Robert Katzman sign another extension for additional time and the majority of those in attendance left the meeting. The ZBA should reach a decision by their next meeting which is scheduled for August 27 at 7:30 PM.

A survey map prepared by Dennis L. Dickinson was presented to the Board as a preliminary plat plan for a major subdivision of lands owned by Richard Baker located southerly and westerly of Terrace Road, Silver Bay. A public hearing was scheduled for this 5-lot subdivision on September 3, 1987 at 7 pm.

The application of Claudia Terry and Robert Brynren for a variance to place wood frame cottages on their property located on Rt. 8 (Formerly Busy Bee's Trailer Park) received a unanimous vote to recommend denial due to lack of information presented with the application.

The Board unanimously voted to conduct a site plan review prior to deciding on Brian Jordon's application to place a trailer on a lot located on Sunset Drive.

HAGUE TOWN BOARD - 8/11/87

Privilege of the floor before the regular meeting gave Laura Meade the opportunity to present the program schedule for a celebration of the 200th anniversary of the Constitution to be held Friday, August 14 at 6:30 PM. (See results on page 8)

At a public hearing, Supervisor Bolton reviewed Resolution #1 1987, regulating speed in Van Buren Bay for mechanically operated boats. Later, at the regular meeting, Res. #22, 1987 stating specifically area and regulations pertaining to Van Buren Bay speed limit (5 miles and no wake) was approved unanimously by the Board. Regulation effective 10 days after posting. Resolution now will be forwarded to Lake George Park Commission and ENCON.

Money received from Cablevision (April 1 - June 30) to Hague in the amount of \$298.86 will be used to get cable to West Hague Rd.

Town Attorney Silvestri's letter to Supervisor Bolton reaffirms his legal opinion that no matter how the conversion issue is settled, the decision could be challenged in court.

Tom James letter of resignation as chairman of ZBA was read and accepted. Frank Fowler was appointed to the Zoning Board of Appeals to fill a vacancy.

During each 8-hour tour of duty by Sheriff's Patrol they will sign the Hague log at least once. Supervisor Bolton has registered a complaint that our open container law is not being enforced and enough time has not been spent in Hague.

Several minor flaws in our landfill inspection report by ENCON. (Cont. on p.4)

TOWN BOARD (cont. from page 3)

Our newly revised sanitary code is available at the Town Hall for \$5.00 a copy.

West Hague Rd. sign has disappeared for the third time. They are expensive to replace.

With the need for new gravel supplies, the town has had our highway superintendent, D. Belden, test areas in town where we could become our own supplier.

Dan Belden will attend Highway convention September 15-19 in the Catskills.

In addition to the Antique Boat Show at Silver Bay on August 22-23, the Hague Arts Fair will be held at the town park. The Fish and Game Club will also hold a steak and lobster roast. (See page 1 for more details.)

On September 12 we will again host the sailboard group for the second time this year.

The first performance of "SOUTH PACIFIC" presented by the Silver Bay EMPS will again benefit the Hague Fire Dept. Wed. evening Aug. 19 at 8 PM at Silver Bay. (See p. 1)

A request for additional Chamber of Commerce space has been solved by adding shelves in the existing building.

In unfinished business we note that Gov. Cuomo has signed into law the Lake George Law.

New business will see Hague following the regular procedures to abandon the turnout at the end of Shattuck Robbins Rd. A public hearing will be held when the necessary paper work is completed.

Tim Costello (Developmental Administrator) has asked the Town Board to act as a Board of Health on Hinkley and Waitt property at Sabbath Day Pt. On September 9 at 6:30 PM (next Board meeting) a public hearing will be held concerning necessary variance.

Results of Lake George water sampling has shown our boat launch to have high coliform count. Several other areas in Hague also had high counts but have been able to bring the count down to acceptable limits.

Resolution #23 was carried unanimously. This requests state aid to implement our local land use programs. (Amount - \$9,500)...G.Lindquist

GOVERNOR CUOMO SIGNS LAKE GEORGE LAW

For many years area residents and visitors have been observing that the quality of Lake George has been deteriorating. In 1984 a 90-member task force was established to develop a plan to protect and more effectively manage the land, water, biological and cultural resources of the Lake George Basin. Finally, during the summer of 1987, with the help of Hague's Supervisor Richard Bolton, the Warren County Board of Supervisors, Assemblyman Neil Kelleher and Maurice Hinchy, Senator Ronald Stafford and the Lake George Association, the State Legislature has passed and the Governor has signed the Lake George Law which will restructure the Lake George Park Commission and will allow for the construction of new sewage facilities in the lake's basin. (THIS DOES NOT MEAN PUMPING SEWAGE INTO LAKE GEORGE! It means that sewage treatment facilities may now be located within the watershed of Lake George...on land, away from waterways. It will provide a means to eliminate antiquated cesspools, rusty metal septic tanks, poorly drained leaching fields, etc.) Prior to the passage of the Lake George Law it was illegal for municipalities to construct sewerage systems within the watershed of Lake George. Under this law, the Lake George Park Commission (LGPC) will have expanded powers and funds to enforce existing and new laws governing activities on, in and over the lake.

We ALL have a stake in the success of the LGPC effectiveness, but no commission can be effective unless each and everyone works at preserving the quality of the lake and its environs. Here, where water is so plentiful, we rarely think in terms of conserving water, but every drop of drinkable water that goes into a septic system becomes contaminated and has to go through nature's cleansing process. CONSERVE WATER USE: water reduction devices such as low volume toilets and shower heads, short showers and repair of leaky faucets, all help with the process of conserving our septic systems...ACraig

HAGUE AMERICAN LEGION

The next meeting of Hague Post 1538 American Legion will be held on September 2 at 7:30 PM at the Legion Home. The Warren County Legion will be hosted by Post 1538 on September 9 at the Hague Legion Home.

Reminder - we are still selling chances on the money doll. It will be raffled off on Labor Day.

NOTICE TO VOTERS OF TOWN OF HAGUE

The voting machine for the Town of Hague will be open to the voters for the purpose of inspection and instruction of the use of the machine on September 10th and 11th from 1:00 pm to 3:00 pm for the Primary Election of September 15, 1987.

...Custodians of the Voting Machine
Henry S. Leach
Florence Fitzgerald

REPUBLICAN PRIMARIES - September 15

Local candidates on the ballot for the Republican Primaries include: For Councilman:

Robert Patchett
Martin Fitzgerald
Linda Coffin

There are two vacancies. All other offices are unopposed

HAGUE SENIOR CITIZENS

A group of seniors took a trip on August 4 to the Barton Garnet Mines and followed it with a picnic lunch.

Our next meeting will be on August 25 at 1:30 pm in the Hague Town Hall. A September Lake Champlain boat trip is planned and will be discussed at the meeting...GL

A NEW BUSINESS IN TOWN

With 15 years of experience in the field, Jon Trudeau has started a new business on West Hague Rd, known as Hague Drywall.

The business specializes in new construction and remodeling, sheetrocking and taping, stucco work, spray texture ceilings, interior painting and insulation supplied and applied.

Hague Drywall provides excellent quality and fast efficient service and will give free estimates cheerfully. All work is insured and dependable. CALL 543-6171 for more information. . GL

Upon viewing the moon for the past week or so, watching it wax and wane, we questioned our German astrologer about which side of the moon is added to and subtracted from before and after full moon. He explained that if you think of the small letter "b" and can draw it with your eye on the moon, then the moon is "beginning". On the other hand the small letter "d" for "declining" means that the moon is waning. So right now since you can visualize the letter "d" on the left side of the moon, it is waning.

The \$64,000 question: is the moon in the same phase all over the world at the same time?

NEW PRINCIPAL AT MIDDLE SCHOOL

Mr. Harold P. Bresett has been appointed as Principal of the Ticonderoga Middle School. Mr. Bresett has been employed as a Guidance Counselor since 1978 at the Ticonderoga High School. He completed his BS Degree at Norwich University, has a Master's from SUNY, Albany, Master's from SUNY at Oneonta and a Certificate of Advanced Study in Guidance from Oneonta.

Mr. Bresett has already assumed his duties at the Middle School.

BE A VOLUNTEER AT MLH

Moses-Ludington Hospital has one of the most outstanding and active groups of volunteers in the community and they donate more time and service than any other hospital volunteer group in the Northern District.

The volunteers are expanding their service to the hospital and we seek individuals interested in helping to maintain our hospital services at a top-notch level.

If you are interested in becoming a volunteer three or four hours a day - once a week, please contact Edna Maslott at the hospital on Monday or Wednesday 8:30 AM to 4:30 PM or Tuesday evenings 4 - 8 PM.

HANDYMAN PROGRAM

Perform minor home repairs which will better allow the frail elderly to remain in their homes throughout Warren County.

Interested in establishing corps of interested individuals willing to share their skills and experience in return for modest wage and satisfying work.

Ideal for retired carpenters, plumbers, electricians and handymen. Also, part-time workers and college students. Dependable vehicle essential.

Please respond by letter, resume, or visit no later than July 29th to:

Warren-Hamilton Counties Community Action Agency, Gurney Lane, Lake George, NY 12845.

Warren-Hamilton Counties Community Action Agency is an Equal Opportunity Employer.

"WONDERFUL WEEDS AND WILD WATERSCAPES"

A very special exhibit of paintings by Laurie deBuys Pannell, daughter of Mrs. Harry deBuys and the late Mr. deBuys, Holman Hill, Hague, was held during the first week of August at the Northern Lake George Yacht Club. "Very special" in the sense that many of the subjects drew upon Lake George and the low mountain range in the Hague area: "Very special" in the particular sense of the artist's individual technique.

Her palette ranged from the sharp black and white and green of mountain pines and birch to the pastels of lovely--and lively--florals to the vivid blue of Lake George waters and the pulsing hue of blue sky above. Laurie deBuys Pannell spent ten years of her early married life in Taiwan and her brush work shows the influence of Chinese style, well learned and well adapted to her own originality.

In the titles of Laurie's work you find the core of each painting--its essence never obscured. NORTHERN LAKE GEORGE takes the viewers to Anthony's Nose and Rogers Rock; NORTHERN NEIGHBORS outlines the woods overhanging a neighbor's dock, sets bright sky above; HAZY depicts that mysterious aura around hills and lake as a mist rises; PHOENIX SKY intercepts the dramatic blue of sky above lake with a super-charged, pointed white cloud--like the bird of myth rising.

A VIEW FROM THE CROW'S NEST looks across Hague Bay to the eastern sun-rimmed hills as she sees them from her parents' hill top home. Another sailing scene is set above the Hudson River, an impression of the fortress outline of West Point on the land. This again is a vivid scene to the artist who spent several months at West Point when her husband, Cliff, a professor of World Geography at the University of Georgia, was teaching there.

Her exhibit also included some of her "southern" work. In one of these a particular technique of the artist is revealed in which, with palette knife, she rolls back the paint and shows off the under side of a color; in the leaves, the veining a lemony hue. It is seldom that one sees this technique of palette knife with water color, requiring a deft, quick skill--a trick Mrs. Pannell credits to a teacher with whom she studied while in the West Point area.

Twenty-seven paintings were included in this special exhibit, many of which were sold right off the wall, tho' new owners agreed to let others have a chance to see them during the week.

We look forward to another showing next year, when, perhaps this original and gifted--and very personable Hague and Georgia artist may also include work in her new metier, some sculpture in bronze.

Note: THE HAGUE CHRONICLE masthead was specially designed for us by Laurie deBuys Pannell...B.DeGraff

HAGUE AMBULANCE SQUAD HAS BUSY MONTH

Every month is a busy one for the Hague Ambulance Squad but July was particularly so. For those readers who wonder what the squad does in their spare time read on: * Persons

- 15 REPUBLICAN PARTY PRIMARIES
- 17 Senior Citizen Bus to Glens Falls
- 17 Carillon Garden Club - 11:00AM-Church of the Cross

BICENTENNIAL OF CONSTITUTION CELEBRATED IN TOWN PARK

Through the efforts of Laura Meade, the community of Hague was treated to a special performance of the Ft. Ticonderoga Corps of Drums in the town park on August 14 at 6:30 PM. With a backdrop of beautiful Lake George and the colorful uniforms and delightful music of the fife and drums, the half hour performance went all too quickly. Drum Major Randy Levins, son of Verna and Steve Levins, New Hague Road and Drummer John Holub, son of Mr & Mrs Jerome Holub, NJ and grandson of Mr. & Mrs. Jack Kennedy of Pine Cove represented our own members of the corps. Laura Meade and Diane Frasier collaborated on a short history of Hague, which they distributed to the spectators. Copies of these are available in the Town Hall.

THE HAGUE CHRONICLE is published monthly by volunteers and supported by contributions from its readers. Send news items to Editor Margaret Broderick, Box 215 and tax deductible contributions to JACK KENNEDY, Box 74B, Hague, NY 12436
