We are excited about this year's Annual Car Show. We will have 22 Class (20 to be judged) Awards in 1st, 2nd & 3rd place, plus 3 specialty awards and 5 individual awards. T-shirts and dash plaques for all entrants. This is a pre-registration ONLY event, each participant will receive a registration confirmation postcard which will be used as their entry into 3 cash prize drawings for \$100 each!

PLEASE REMEMBER TO BRING YOUR POSTCARD - IT WILL BE TAKEN AT THE ENTRANCE GATE

When choosing a class, please study the options carefully. Classes 2-15 are for stock cars equipped as they came from the factory. If your car has been modified, it should be entered in class 18 or 19. Class 6 includes all Ford Motor Company products including Thunderbirds from 1958-1995. Class 21 is High Performance Stock (Muscle Car) factory production. If you are uncertain as to which class best fits your vehicle, please call the chairman listed on this registration form. The chairman reserves the right to re-classify your vehicle and/or has the right to combine classes prior to or on the day of the show.

The VAACA promotes higher education and in the past we have contributed approximately \$100,000 to area high school students seeking advanced education. Your participation in this show makes these contributions, both for higher education and various Venice area charities, possible. We could not present this show for all the participants without the help of our many show sponsors listed on the back of this form. Please consider supporting these fine companies when purchasing products or services.

We expect a sellout like last year, so send your entry form as soon as possible. Pre-registration closes March 13, 2020. We are limited to 250 vehicle capacity. All vehicles must be parked by 10:15AM to be eligible for judging. Entrance gate will close at 10AM. **IF SHOW SELLS OUT, IT WILL BE POSTED ON OUR WEBSITE**
