

YES! PROGRAM

YES!, there is now a program service available to Essex County youth and their families who face a substance use/abuse situation or problem. The YES! Program additionally serves youth from Warren and Washington counties who attend Ticonderoga schools. Any youth is encouraged to take advantage of YES! Program services, when faced with a drug or alcohol problem.

The YES! Program has been functioning for the past seven months. It provides desperately needed substance use/abuse educational and counseling services to North Country youth.

YES! is now beginning to realize a good degree of success! The effectiveness of program services, particularly counseling, can be measured not only by the increase in referrals for counseling, but also by the growing number of youth who have seized the opportunity and initiative to seek counseling on their own. This is truly one of the goals of YES!

Principals, community leaders and concerned citizens have expressed their appreciation to the Silver Bay Association, the Essex County and NYS Division for Youth, and all other agencies and organizations that have helped to make the YES! Program a reality in Essex County.

Shannon Martin, a masters level clinical psychologist, is the YES! Program educator/counselor, and has been instrumental in establishing YES! Program services in Ticonderoga. Her schedule calls for her to be in Ticonderoga Middle and Elementary Schools on Mondays and High School on Tuesdays. On Fridays she is available by contacting YES! Program (543-6273).

Anyone in need of YES! Program services, or desiring additional information concerning the YES! Program, can call (518) 543-6273, and someone will be available to answer questions, or make an appointment to arrange for counseling.

...Laurie Sicko-Sandow, Silver Bay Association

HAPPY OVER S.A.D.D.

Recently a group of concerned students in the Ticonderoga High School organized a STUDENTS AGAINST DRUNK DRIVING chapter, referred to as S.A.D.D. The organization hopes to cut down the amount of drinking and driving related accidents for both parents and young adults. S.A.D.D. would appreciate any help - financial or supportive. Contact Amy Moses, 585-7501.

...Ami Busick

SCIENCE FAIR SUCCESS

On April 1, 6th grade students in the Ticonderoga Middle School held their annual Science Fair. Each student and a partner created an educational (not to mention entertaining) presentation on a scientific or technological process. Congratulations to Anna Busick - Frogs; Julie Cook - Papermaking; Jenni Owens - Butterflies; Lisa Cobb - Energy and Leah Prenty - Whales.

...Ami Busick

MARY POPPINS - SMASH SUCCESS

David Busick, Eric Coon, Elizabeth De Franco, Bobby-Jean Frazier and Vickie Waters take another bow! For your wonderful performance in MARY POPPINS on March 29...Ami Busick

FOURTH QUARTER HONOR ROLL

High Honors: AMI BUSICK, STEPHANIE FITZGERALD, ROBERT GAUTREAU, BRIDGET McDONALD

Second Honors: CHERYL COBB, LYNNE COFFIN, JENNIFER FITZGERALD, AMY McKEE, JEFF PLASS, JANET ROSS, LANA ROSS, NORMA STRUM, STEPHEN YOUNG

The staff of The Hague Chronicle congratulates these students on their outstanding achievements.

Keep up the good work!

FISH AND GAME CLUB

On March 19 the Fish and Game Club elected officers for the following year. 18 members were present.

- Officers elected are:
- President - Wally Conlon
- V. President - Mark Martucci
- Treasurer - Maryalice Hall
- Secretary - Margaret DeSignore
- Food Comm. Chr. - Blanch Yaw
- Sunshine Chr - Marion Shoemaker
- Membership Chr - Katie Hunter & Carl Frasier

The next meeting will be on April 16 at the Club House on West Hague Rd., with a covered dish supper at 6 PM. Each one should bring a covered dish of their choice, and your family. Everyone is invited.

Meeting will be after supper. All new members try and come with your family..WC

SENIOR CITIZENS, April 11

Senior Citizens, under the direction of Michelle Brunet, met to see whether or not a senior's group could be organized in Hague. Louis Spellman, Jr., Office of the Aging, was guest speaker. Johnsbury and Hague are the only towns in Warren County with no club and Johnsbury is actively working towards the formation of one. Benefits are available in many forms; legal, home services, transportation, to mention a very few. Anyone is encouraged to call collect 761-6347 if they are over 55. You may call Michele 543-8818 or Diane 543-6161 for additional information.

The next meeting is scheduled for Wednesday, April 24, at 1 PM at the Town Hall. Coffee will be supplied and anyone wishing to bring doughnuts or cookies may do so. Bring a friend. The more the merrier...GL

LITTLE LEAGUE

Boys and girls aged 9 - 12 interested in joining the Hague Little League team this year should come to the Silver Bay General Store to register during store hours, 7:30 AM - 6 PM.

Please bring birth certificate. Practices will start the end of April. ...SS

VETERANS

The assessors of the Town of Hague are requesting all veterans and unmarried surviving spouses of veterans who wish to apply for partial exemption from property taxes under the new alternate veterans exemption law to do so as soon as possible, so that their applications may be processed prior to May 1, 1985.

Applications and instructions are available at the assessors' office in the Town Hall.

In addition to the completed application, the veteran will need a copy of the deed to his or her primary residence, a copy of the front of his or her honorable discharge, and a copy of Form DD-214 or other proof of dates of service and combat record.

If the veteran has a service connected disability he or she must also provide a varified statement from the Veterans' Service Agency stating the percent of the disability. If the disability is not termed permanent it must be varified each year.

If the veteran does not have all the required proof, he or she is urged to contact the Warren County Veterans' Service Agency as to how they should proceed in obtaining the necessary information.

AMERICAN LEGION

The next meeting of Hague Post 1538 will be held at the Legion Home on Wednesday May 1 at 7:30 PM, at which time the new slate of officers will be installed by past Dept. of New York Commander Gordon Burleigh, a longtime member of the post. All Legionnaires and eligible veterans are urged to attend. Special refreshments will be served following the meeting.

The Post is now conducting a sale of American flags, some of which are now in stock, and with special orders available within 10 days. You may call 543-6675 to order either flags or complete flag sets which include pole and hardware for installation on home or porch.

*I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd
A host of golden daffodils.
...William Wordsworth*

TOWN BOARD, April 9

PLANNING BOARD 4/4/85

With the burning off of the grass (by the Highway Dept.) at the Rt. 8 cemetery, a member of the audience brought to the attention of the Board that this is private property. The question was raised regarding town obligation toward said cemetery maintenance. Supervisor Bolton would like ANYONE with a plot to contact the town hall (543-6161) and specify whether they want town maintenance or will take care of THEIR OWN plot or plots.

The following were noted: Approval granted for concession stand at Town Park during Bass Tournament and Arts Fair; Land with two or more land use classifications will each be considered on its individual merit as hardships arise; Motion carried to send \$250 to Adirondack Review Board (see 1985 budget); an agreement has been reached for the exchange of property to create a turn-about on Shattuck-Robbins Rd.

A motion was made to re-appoint William Foster as Zoning Administrator for the remainder of 1985. Before voting Linda Coffin, Councilman, said she wished to make a statement. "Observing at first hand, while attending each ZBA and Planning Board meeting, I have come to realize with what dedication Mr. Foster approaches his job, how necessary his help is to these Boards and how difficult the job is. I vote yes."

There will be 8 miles of road improvement over Tongue Mt. this spring. Removal of frost heaves, rocks removed and guard rails substituted, blacktopping. Repair on Rt. 8 to North Pond and more repaving on West Hague Rd. Total of \$4 million dollars from the State and County for repair of Hague roads.

Question has been asked of County Committee if they can supply any help financially in any future Article 78 proceedings.

An I-beam from the school will be used as a replacement in the firehouse door.

Robert Patchell's (councilman) resignation from the Town Board accepted...GL

COOPERATION: doing something with a smile that you have to do anyway... like paying taxes.

Mr. Jay (Jack) Reynolds came before the Board to seek support of a proposed two-lot subdivision that is 2/100th of an acre less than the minimum lot size of 1.1 acres. The Board supported Mr. Reynolds' request for a variance and will notify the Warren County Planning Board of its decision.

Mr. John Pucek has applied for a two-lot subdivision of his property at the foot of Tongue Mt. A public hearing will be held on this matter at the May 2 meeting.

Dr. Walter Sperling has been notified, by letters, that a fence on his property is in violation of the Town Ordinance. As of 4/4/85 there had been no response from Dr. Sperling. The Planning Board is to request that the Town Board ask our Town Attorney to write Dr. Sperling on this matter.

Hague's zoning regulations specify permitted use, height, size or structure placement on any given property. In order for a property owner to avoid changing a structure in such a way that it may become in violation of the Land Use Plan, the Planning Board recommends that anyone planning to do interior or exterior work of a major structural nature should discuss the project, prior to commencing work, with the Developmental Administrator. The purpose of this suggestion is to insure that individuals do not begin a project that would make the structure non-conforming to our zoning ordinance.

...AC

ZONING BOARD OF APPEALS 3/28

Edna Frasier declined chairmanship of the ZBA and recommended Ray Snyder. Vote taken; Ray was approved and accepted chairmanship.

A motion by D. Martucci to send Indian Kettles variance to Warren County and Hague Planning Board. There will be a public hearing at the April 25 meeting.

ZBA supports position to amend Article 12.030 on page 60 of Zoning Ordinance to read "Any legal proceeding brought against the Planning, Zoning Board of Appeals or Town Board including respective Board members shall include APA as co-defendants....GL

SPECIAL TOWN BOARD MEETING 4/2

The review of our Land Use Plan has become increasingly important since challenges have been made against regulations in the present one. Therefore, the Land Use Plan Review Committee was reactivated at a special Town Board meeting on 4/2. It will not meet on a regular basis and no other meeting has been scheduled at this time.

Ray Snyder was unanimously approved as chairman of Zoning Board of Appeals.

Comments by Fred LaPann, chairman of the Planning Board and Ray Snyder were given high priority. D. Martucci and Tim Costello added helpful suggestions. Ray Snyder applauded our Zoning Administrator for his helpful presence at the board meetings each month. It was also suggested the town lawyer should attend all board meetings to help with the legality of decisions made.

The matter of junk vehicles on private property has again been called to the Board's attention. Solutions have been suggested.

The meeting was closed with a proposal that the committee get together a presentation for the APA. No date has been set for this meeting.

FIRE DEPARTMENT FACELIFT

Fire Department members have been busy installing sheetrock and insulating the first floor. All wiring has been updated to meet current regulations. Work still to be done includes installing three new insulated doors and a new roof.

A great deal of money is being spent in getting the building into shape. The Fire Department would appreciate your contributions at this time to help defray these expenses...lda May

WINTER CARNIVAL JACKETS

The Hague Winter Carnival Committee is offering a winter-weight jacket with the new logo on the back and a name on the front for \$20.00. (The same style as the Fire Department).

There are several color choices. All orders must be pre-paid and must be in by April 19. Please see Kathy Santanello to place your order. 543-6441. KS

HAGUE HISTORICAL SOCIETY

Wednesday, April 17 - 7:30 PM at the Baptist Church Annex. Mr. Stephen Boyce, a faculty member at Ticonderoga H.S. will present a program on STEAMBOATS OF LAKE GOERGE. His talk will be augmented with slide pictures. The public is cordially invited to share in this most interesting program.

Next month - May 22 Dave Rutkowski will speak on BIRTH OF THE ADIRONDACKS AND CHAMPLAIN VALLEY.

BIRD WATCHING FOR CHARITY

Anyone interested in participating as a counter in the National Audobon Society 1985 BIRDATHON should contact Laura Meade. Counters will select a day in May to identify and catalog as many species of birds as possible. Participants will seek sponsors to pledge an amount per species to contribute to the educational projects of the High Peaks Audobon Society.

MORE ON THE FIRE DEPARTMENT

During March the Ambulance Squad made 5 runs for 93 miles, using 30 man hours.

FOOD AND RUMMAGE SALE - May 15, 16 and 17, 9 AM to 2 PM, benefitting the remodeling of the firehouse. Items may be left at the firehouse May 13 and 14 from 9 AM to 12 Noon. For pick-up please call Ida May at 543-6029 or items may be left on Ida's porch any time from now on.

ST EAK ROAST, June 15 starting at 4 PM benefitting the Hague Fire Dept. LIVE ENTERTAINMENT. More on this later.

...Joanne Stormer

*May is green as no other
May is much sun through small leaves
May is soft earth
And apple blossoms. ...Amy Lowell*

At a special Town Board meeting 4/16/85 the Town Board adopted a resolution to apply for a HUD grant. The adoption followed a public hearing at which Pat Talich from the County explained the grant.

WILLY C'S MARCH WEATHER NOTES.

March came in like a lamb, but by the 4th we had the winter's heaviest snowfall, reported to you in the last issue. The first day of spring the temperature hit 55°F. We thought we had it made in spades, but things went downhill after that. Our lowest temperature, lake level, was -10°F March 7. It hit -2°F on Graphite March 4. Three inches of wet snow fell March 31. March had only seven days where the temperature was 50°F or better. The high for the month was 64°F on the 27th. As advertised, March was breezy. Highest wind gust 46 MPH but twelve days when highest winds were above 30 MPH. A big plus for March that deserves a big YEAH! - we gained one hour and 33 min. of sunshine.

Ice went out at the northern end of the lake down through Hague Bay by March 30, behind a steady 25-30 MPH north wind. Highest gust that day was 34 MPH. The lake was clear except for bays down to the Narrows by March 31, but plenty of ice in the Narrows and southern end. Ice was officially declared out on April 5. At the northern end, February was the only month during the winter when you could not have been out on the lake in a boat.

April has been cool, lows in the mid 20's; highs to upper 40's to low 50's. To everyone's delight we had 1" of wet snow April 8 followed by snow showers on the 9th. The low temperature up on the mountain April 10 was 15°, a balmy 22° at lake level. Remember those south-bound geese in February? Well, they're heading north now. Not many in March, but numerous sightings seen following Easter Sunday. Many other birds showing up in the woods and water.

Spring is an exciting time. Enjoy!

...Willy C

HAIKU, HAGUE VERSION...END OF MARCH

The Lake, leaving Winter, unleashes Fierce Gods of Wind and Sun. With furious force they sculpture giant jig-saw-puzzle-maps from green and pewter ice. For a few days fantasy designs of World Geography float by, hurled south and east and west, till one morning Lake is Water only once more....BDG

FORMER RESIDENT ON WEST GERMAN.TV

Ginger (Henry) Kuenzel, daughter of Mrs. John T. Henry, Hague, recently took part in a nationally televised panel discussion in West Germany. The program, entitled "Auf den Hund Gekommen" (Going to the Dogs), dealt with the dog problems in German cities. Panelists included dog breeders and owners on the one side and citizens who are disturbed by the extraordinarily large dog population in W. Germany, the health and safety problems, particularly in relation to children, and the inconsiderate attitude of the dog owners.

Ginger has been residing in Munich for about ten years and became involved in organizing a citizens' group which has been lobbying for stricter enforcement of the dog leash regulations in Munich.

ICE REPORT

Thanks to Dick Bolton, supervisor, the following is the ice in/out report for the past five years. Dick has statistics dating back to 1908, which he would be happy to share on request.

<u>Year</u>	<u>Lake Froze</u>	<u>Ice Out</u>
1981	Jan. 3	Apr 1
1982	Jan 13	Apr 20
1983	Feb 10	Mar 23
1984	Jan 13	Apr 14
1985	Jan 17	Apr 5

APRIL FIRST

April will not be all showers or income tax time. We can think of May flowers. We can buy a daffodil at the bank. We can look over leaflets for late spring gardening. Easter will come and go. The ground is covered with "sugar" snow. It will be gone tomorrow. As we are teased by warm days we can ignore that sharp wind. We can be thankful those grim low temperatures are things of winter. We can enjoy the many ads in the mall for spring cleaning, or that satin-flat interior paint that we will surely get to use this April. Next month is May. We are happy to be in this spot in January, April or July. Every month in Hague has its unique beauty. This is a great place to live! ...Oh, it's really snowing, and hard. ...MB

VIEWPOINT

I recently returned from a two-week trip to Nicaragua, where I spent my vacation picking cotton. Picking cotton is difficult in an exhausting way. It requires a quick agility. The hands of a fast cotton picker move effortlessly, with a tactile awareness. It also requires a back that can stand constant bending and a mind that can overcome the numbness of heat and boredom.

The reason I joined the Nicaraguan peasants and students in harvesting their cotton was two-fold: I wanted to learn first-hand about the Nicaraguan political and economic situation, and I wanted to contribute something to the country. With laborers in short supply--a consequence of the fighting between the U.S. supported contras and the Nicaraguan people--the crops are in peril of not being harvested. With the Nicaraguan economy dependent on export income derived from cotton, coffee and beef, it is of dire importance that they harvest everything they have. Our group of twenty picked diligently each day--from 6 a.m. to 11 a.m. and again in the afternoon--and our final contribution totaled 10,000 pounds.

The direct and visible contribution felt good. Yet it was the pervasive poverty around me that made me realize that the Nicaraguan people are struggling for basic needs: food, education and health care.

Being in Nicaragua made me feel the vulnerability of my body. Anyone who has ever traveled to another country has experienced the discomfort of local viruses. How would you feel if, instead of mild discomfort, there was the reality of death in those viruses? In Nicaragua, that has always been a fact of life. If your child gets sick and there's no doctor, no clinic, no medicine, what do you do? We take for granted the availability of doctors, yet it is these kinds of things the people of Nicaragua have just recently gained. And they've gained them in the last six years, since the Revolution of 1979, when the people threw Somoza out. Polio has virtually been wiped out as a cause of death. Infant mortality has been cut in half. Clinics and doctors are reaching rural areas and bringing health care to the people. In addition to health gains, illiteracy has been reduced from 50% to 12% as a result of a massive government campaign.

Yet it is these social advances that are the targets of contra activities. And it is when I see such small gains destroyed by powers beyond those of the Nicaraguan people that I feel a sense of outrage over our government's involvement in supporting the contras. To compare the contras, with their terrorist activities, to our "founding fathers" is morally repugnant.

I believe the people of Nicaragua deserve the right to determine their own future. I had a chance to talk to people of various backgrounds: nuns, teachers, students, peasants, union members and government officials. People spoke openly of the gains they've made and the difficulties they are experiencing. Some spoke out against the current government. Most, however, spoke of the desire for self-government, without outside interference. Our military support of the contras and our economic pressures against the Nicaraguans are making a difficult situation harder. The revolution in Nicaragua is still new and the nation is moving forward with pluralism and toward greater social improvements. Our policies are blocking both.

...Cindy Craig, daughter of Mr. & Mrs. Bruce Craig, Friends Point

ADIRONDACK COUNCIL

The following is taken from the Adirondack Council Newsletter of April 1985:

"As we were going to press, the Adirondack Council was undertaking two important actions to preserve threatened Adirondack wilderness. The Council is acting to intervene in a recently initiated lawsuit that, under the pretense of aiding the handicapped, would open Adirondack wilderness to motor vehicles and aircraft. The Council has also been admitted as a full party to an administrative hearing on a state proposal to erect a 140 foot tower and a 39 foot windmill on a mountain top inholding in the Silver Lake Wilderness.

The Hague Girl Scouts would like to thank everyone who supported them in their successful cookie sale. Their profit of \$250.00 will be used for a future trip.

SOUNDINGS

BORN - A son, Jesse Reinier, to Robin (Halliday) and Jan (Tom) VanSickle on March 14 in Manchester, MA. Grandparents are Rev. and Mrs. Lee VanSickle of Silver Bay and Dr. & Mrs. Ted Halliday of Carlisle, PA and Silver Bay.

BORN - A girl, Tasia Anne, to Maryann (Denno) and Kenneth Osier on April 8 in Moses Ludington Hospital. Grandparents are Anna & Bernard Denno, Hague.

ENGAGEMENT - Robin Kay Meck of Mertztown, PA to Jerome F. Holub, son of Mr. & Mrs. Jerome F. Holub Jr. and grandson of Mr. & Mrs. John Kennedy, Hague.

50TH WEDDING ANNIVERSARY - Bert and Ed Crabbs will celebrate on April 22. They first came to Hague as summer residents in 1920 but have lived here year-round since their retirement.

DIED - Thomas F. Beadnell, 66, a lifelong resident of Hague on March 18 in Moses Ludington Hospital. He is survived by his wife, Mary (Peria), two sons, Peter and John and a daughter, Bethany McCarville, five grandchildren, two sisters and a brother.

DIED - The Rev. Canon Kermit Castellanos, DD, on March 26 in Los Angeles, CA. He was 76 years of age and for many years served as chaplain of The Northern Lake George Yacht Club and assisting rector of The Church of the Cross, Ticonderoga.

A memorial service will be held at The Church of the Cross on Saturday, April 20 at 11 AM. Memorial gifts may be sent to the Kermit Castellanos Memorial Fund of the Church of the Cross.

DIED - James M. Lonergan, 70, in Vt. Med. Center on April 4. Mr. Lonergan was born in Hague when his father was working for the Graphite Mines. He lived most of his life in Ticonderoga.

SUE LANDERS BICKLEY, a former resident of Hague and a 1984 graduate of Adirondack Community College, has received her license from the S.D. Board of Nursing to practice as a registered nurse.

JAMES WELLS, Coach at Ticonderoga H.S. and sponsor of the Huddle, local chapter of Fellowship of Christian Athletes, was the speaker at the Easter Sunrise Service on the Hague Beach.

Congratulations to LANA ROSS and STEPHANIE FITZGERALD on their induction into the National Honor Society on March 25.

BARBARA A. ROTTIER, summer resident of Pine Cove Road has been named an associate counsel on the legal staff of the Adirondack Park Agency.

JOHN "POP" SIGNER

From the April 14 Times Union we note that Graphite's (and Albany's) "Pop" Signer, former alderman of Albany's 8th Ward will be honored for his service by his friends on June 28.

From the Times of Ti we learn that "Pop", a civil defense director, as well as alderman, and his wife, Billie Touchstone Signer, a freelance writer, have established the J&B Books. A publishing house for children/young adult books, the company will be primarily mail order sales with distribution outlets in various parts of the country.

Billie Signer has written a number of books for young folks, one of which has already been published. ONE SMALL DRUM is a juvenile fiction about the Civil War. Two other books are also on the market. REDNECK COUNTRY COOKIN', a humorous cookbook with lots of philosophies on life and techniques for saving time and money, and THESE HILLS MY HOME, a Buffalo River story.

J&B Books will publish only children and young adult books at first. The first title DANNY, THE DAREDEVIL DEER is for ages 6-8.

Mr. Signer says he is semi-retiring but expects to be kept busy with their new enterprise.

Good luck to the Signers in their new business!

*Don't worry about the future
The present is all thou hast.
The future will soon be Present
And the present will soon be Past.*

CALENDAR OF EVENTS - APRIL and MAY

April

- 17 Hague Historical Society - 7:30

- 14 Town Board meeting - 6:30 PM
- 16 Sr. Citizens Bus to Glens Falls
- 17 Hague Clean Up Day

A representative of the Veterans Administration is in Town Hall every Thursday at 11:30 AM

DOUBLE TRAGEDY HITS HAGUE

On the evening of April 16 the Hague Volunteer Ambulance Squad and Fire Department had an unusually busy time. At about 7 PM they were called to a very serious accident on 9N, just south of Pine Cove Road. A car heading south left the road and hit a tree with such force that it burst into flame. The driver, Sheila Bush, New Hague Rd. was killed and her passenger, Liane Hunsden of Ticonderoga was rushed to the Moses Ludington Hospital and then taken by helicopter to Vt. Medical Center, with burns over 60 percent of her body, and multiple fractures. The Ticonderoga Rescue Squad responded with its Jaws of Life.

Within an hour of the accident the fire alarm sounded for a fire at Ward's Marina storage barn on Route 8. About 35 boats which were in storage there burned. The storage building burned to the ground. Through Mutual Aid, the Ticonderoga Fire Department, Brant Lake and Dolton Landing Fire Departments assisted in extinguishing the blaze. It was reported that the fire was of suspicious origin, and is being investigated. Firemen were on duty all night at the site.

Hague is very lucky to have such a dedicated group of firemen and medical aides to respond to such emergencies.

FOUND - License Plate #7677-AXF. Call Town Hall 543-6161.

THE HAGUE CHRONICLE is published monthly by volunteers and supported by contributions from its readers. Send news items to Editor Margaret Broderick, Box 215 and Tax Deductible contributions to JACK KENNEDY, Box 618 HAGUE, NY 12836
