NORTH AMERICAN DIE CASTING ASSOCIATION  
Chapter 3

## 2020 NADCA Chapter 3 Membership Directory

**Happy new year 2020** all members and supporters of NADCA Chapter 3. A lot has happened since our last directory of 2019 hit your mail boxes in 2019. Our four business meetings of 2019 (free to chapter 3 and 39 members) were very well received with average attendance of over 60 per meeting. Our 2019 golf outing drew over 250 golfers (Golfers may be too generous a term for our attendees) but all who attended were wonderful and we all enjoyed a great time, perfect day for golf, pleasing meal, exciting door prize and a delightful chance to network with over 250 members of the die cast community from all over the North America.

**Thanks to you**, our brilliant sponsors of the NADCA Chapter 3 directory and the NADCA Chapter 3 golf outing, **NADCA Chapter 3 was able to award over \$30,000 in scholarships** to over a dozen worthy young people to attend school with a potential of employment in the die cast industry.

For 2020, we just held our first business meeting of 2020 at a very cozy Osgood Brewery, in Grand Rapids and were blessed with an attendance of over 80 individuals.

**So that brings us to our 2020 NADCA Chapter 3 Directory appeal.** All our feedback is that our Chapter 3 directory is a valuable resource and useful concerning die casting and interacting with our members. I personally have seen copies on our directory on desks in 7 different states as far away as Eastern Tennessee and Kansas City and St Louis, Missouri (yes, even West of the Mississippi River). So the interest in the directory is high and our reach boundless.

All of us in Chapter 3 would be extremely grateful, and we urge you to advertise in or NADCA 2020 Directory, to help support our education efforts and help you and your company get your message to the die cast community in not just Michigan, but the entire Midwest and beyond.

Please contact me if you have any questions you may have,

My best regards,

Bob Worthy  
NADCA Chapter 3  
Director of the Directory and Golf Czar.
