Prehospital Care Report

Incident Date: 04/28/2009

Call #: 200904-EMS029

Patient Care #: 1

Patient Information																
Name: Griswold, Tom					Age: 54 Years					D.O.B: 04/21/1955 (mm/dd/yyyy)						
Address: 341 Oak Knoll Tres Valders, Manitowoc, WI 54245					Gender: Male					SSN:						
					Weight: 85.28 KG / 188.00 LB					Race: Not Applicable						
					Phone:					Ethnicity: Not Applicable						
Provider Impression																
Primary Impression								Secondary Impression								
Traumatic Injury								Not Applicable								
Narrative																
Summary of Events																
Pt found standing next to car. Manual c-spine control taken. C/O pain from a broken tooth which apparently occurred when he was rear-ended by another vehicle. Pt was stopped at a stop-light. Other vehicle was going approx 15 MPH. Minimal damage to either vehicle. Pt denies LOC. Now fully alert and appropriately responsive to questions. Denies any pain except tooth. No distracting injuries. See assessment section. Manual c-spine released. Pt able to complete neck ROM w/o any pain or stiffness. Pt wanted to go to hospital to have tooth checked. No other complaints.
