

2017 Women of 40Plus Membership Drive January 1, 2017 thru December 31, 2017

Welcome to Women of 40Plus! We are a group of women age 40 or over who identify as lesbian or ally. Our Thursday night meetings provide a safe space to explore and learn about what it means to be a woman in the 21st century.

Our group has been a member of the Long Beach/Orange County community for more than 28 years. We meet weekly to discuss current events, learn from various presenters, and we have a game night at the end of each month. We also have many activities that bring our members closer together to create amazing memories. Over the years we have seen many friendships, love and even marriages blossom. Our signature event is our Holiday Party every December. It's a wonderful time to celebrate the year and get dressed up for dinner and dancing.

Your \$25 Annual Membership Supports:

- The legacy and mission of Women of 40Plus
- Reduced rates for Women of 40Plus events
- Monthly emails with meeting, activities, and other fun info
- A vote in group meetings

*As we have some overhead expenses for the group, including leasing the meeting space, a donation of \$3 is requested at meetings you attend.
We also have a 50/50 drawing at every meeting. Chances are good that you'll win!*

Thank you for your continued membership in Women of 40Plus!
