

Library Update

I hope you all are having a great summer! It has flown by and the new school year is just around the corner. We just finished up six weeks of fun and educational Tales and Tails summer reading programs. We had a blast with adults, teens, and kids learning about all kinds of animals, objects with tails and stories. We provided 41 programs and had 915 attendees throughout the six weeks! I call that a successful summer reading program! A big thank you goes to library employees Teresa Burns, Elizabeth Roller, and T'Kayah Mitchell for all the planning and executing of the great programs that were enjoyed by the attendees.

I am so excited to announce another **Author Event** with **Robert Bailey** and the launch of his newest book **The Wrong Side**. This book is the second in the Bocephus Haynes series and is his third book that is set in Pulaski. He will be here on the release date of the book, **Tuesday, August 3rd at 6:00 pm at the Giles Heritage Theater at First National Bank**. We look forward to another evening with Robert Bailey! He will have books for sale at the event.

August 24th at 6:00 pm, Sheree Rose Kelley will be back with us for a **"Taste and Tell"** at the **Giles Heritage Theater at First National Bank**. She will share how to prepare some of her recipes from her latest cookbook, **Servin' Up Summer**. She will have her cookbooks for sale at this event.

This fall the **James Webb Space Telescope** will be launched. It will be the largest, most powerful and complex space telescope ever built and launched into space. The Webb Space Telescope will complement and extend the discoveries of the Hubble

Space Telescope. We are one of the lucky institutions to be selected to host a **Launch Event!** We are still in the planning stages of our launch event, so stay tuned to social media, the newspaper, radio, flyers, etc. to find out about when and where.

I shared with you in the last newsletter that Giles County Public Library is celebrating its 80th anniversary this year. We are planning an **80th Anniversary Celebration** for the public on **Saturday, October 16th**. We are still planning, but preliminary plans are to host a book character dress up parade, chalk art, face painting, give-away items for adults and kids, and more. Mark your calendar and stay tuned as our plans are finalized.

All of our regular programs are still happening like **Friday Morning Story Time, Lego Club, Fandomonium Teen afternoons, Teen Creative Club, and Dungeons & Dragons Club**. We have recently started a new **Chess Club** on Tuesdays with all skill levels. If you are interested in playing chess or learning to play chess, we would love to have you. All the details of all of our programs are in this newsletter.

All of our library patrons now have access to the Consumer Reports Database. All you need is your library card number to log in and get product information, reviews and news on everything that Consumer Reports has to offer. Come in and get a library card if you don't already have one to be able to access the Consumer Reports database.

We have lots of fun things going on here at Giles County Public Library. We hope you will take advantage of the programming opportunities.

SUMMER

READING

RECAP

What a wild summer – in all the best ways! This year’s summer reading theme, Tails and Tales, celebrated our furry friends and neighbors; of course, children of all ages took to the animal fun like a fish to water (or a pig to mud, or...).

First, we started out with a visit from fan-favorites Mr. Bond and the Science Guys. The show exploded with laughter and fun for everyone who attended!

All summer, young readers kept the energy high by attending events like Bob Tarter and his animal program, making ice cream at the UT Extension Office, stomping the creek, and much, much more! Teen library supporters even got in on the act with Pokémon terrarium building, wildlife trivia, and a local folktale-themed event being some of the biggest hits. The library building itself wasn’t the only place to hear a “tail” or two, though! Children all over the county got a taste of that literary magic when staff visited summer camps to share the summer spirit. To cap off the six weeks of entertainment and education, everyone got to shoot off stomp rockets that they designed.

Talk about going out with a bang!

Summer reading takes a village to make happen. We ended our 6 week program with 34 in-house and outreach events and 7 special programs which equates to 915 children and adults attending and learning about the wonderful world of animals! Our heartfelt thanks go out to First National Bank, our sponsor; Reeves Drug Store, Colonel Littleton, Sundrop, Day Light Donuts, Hardees, and McDonald’s for sponsoring weekly prizes. The people who invested their time, expertise and energy to make our special events happen are: Morgan Sutton and Officer Thomas, Giles County Animal Shelter; Paula Casteel, Giles County Animal Hospital; Officer Crane and Officer Robertson, TWRA; Lindsey and Rob at the UT Extension Office; Crystal Guess and Linda Rogers. The kids and adults loved it all, we thank you! And to our community volunteers, Elizabeth May, Mamie Burrell, Rachel Ivy, Austin Shrengost, and Javis Olson - you are rock stars! A special shout-out to one of our in house artists, Victoria Cooper (The Twilight Artist), who did a wonderful job on the window painting for the two Storywalks!
