

FAQ: How to Digitally Sign your Contract

You will need a free recent copy of Adobe Reader (or similar PDF program) you can download it from: <https://get.adobe.com/reader/> (always uncheck the “Optional Offers” section on the website) Most PC’s come with Adobe Reader already installed although you need at least a 2015 version or later.

- 1) Download the document from the DFW Vintage Cars Website to your Computer.
- 2) Install Adobe reader if you do not already have it (or similar PDF program) installed
- 3) Open the downloaded files with Adobe Reader(may have to right click the file and select “Open With”)
- 4) Scroll Down to the Customer Signature section and when you click the field you will see the following popup: Select Configure Digital ID

Configure a Digital ID for signing

A Digital ID is required to create a digital signature. The most secure Digital ID are issued by trusted Certificate authorities and are based on secure devices like smart card or token. Some are based on files.

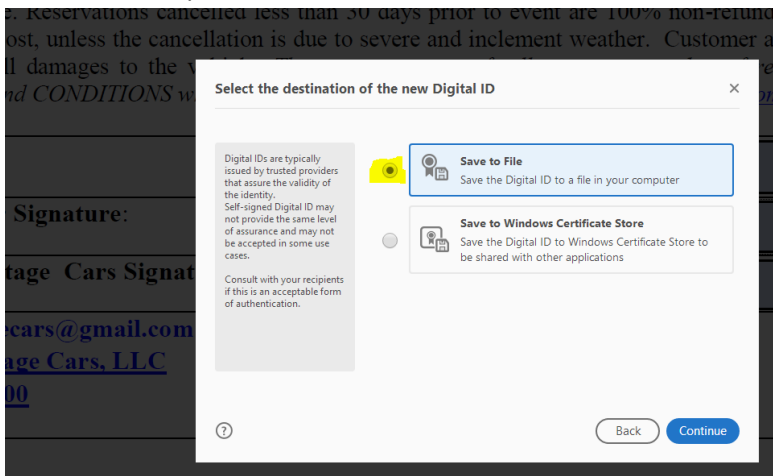

You can also create a new Digital ID, but they provide a low level of identity assurance.

Select the type of Digital ID:

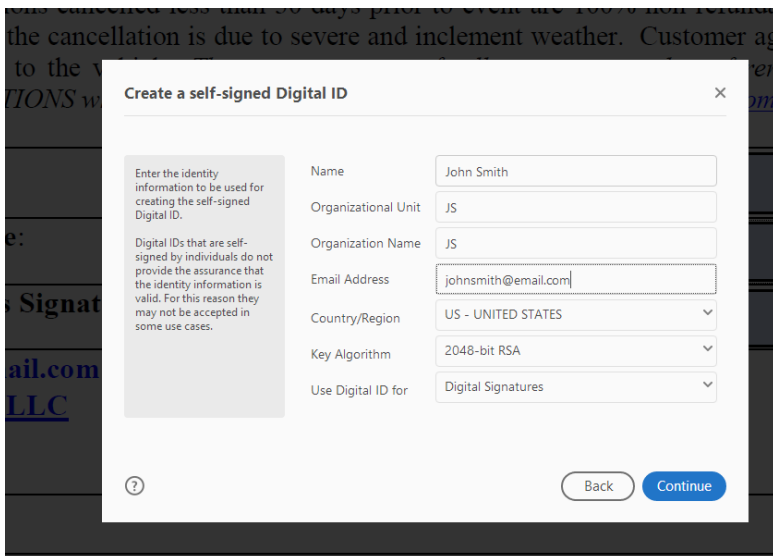

- Use a Signature Creation Device
Configure a smart card or token connected to your computer
- Use a Digital ID from a file
Import an existing Digital ID that you have obtained as a file
- Create a new Digital ID
Create your self-signed Digital ID
