Weekly Newsletter of the Kiwanis Club of Green Bay – Downtown  
KIWANIS MEETING OF January 27th, 2020

We had a total of nine including eight members in attendance. Members included Ann, Bob F, Anne, Bob R, Kirby, Emmett, Dave, and Ben. We enjoyed a lunch of roasted pork, finger potatoes, and a salad. Anne led the meeting, Ben said the prayer and Ann led us in song. We sang "Wait till the Sun Shines Nellie" and "Take me out to the ballgame".

Dave had a travel dollar for his family trip to Tanzania to see the great animal migration. The trip included a full week of living in tents. Anne told us another of her Uber driver stories. This one involved one of her passengers getting sick in her car and Anne spending a late cold night trying to clean it. She did not say if her husband got up to help with the cleaning.

Our speaker was Sheri Mealy, Dementia Care Specialist with ADRC. She is one of only 24 Dementia care specialists in the state. There are currently approximately 120,000 people in Wisconsin with some form of Dementia. Sheri spoke about the other services offered by ADRC. These services are broke into four areas. Service specialists, that work with people to find individuals or companies that can help with work that an older person needs in their home. This could allow a person to stay in their home rather than move to an assisted living facility.

A second area are Benefit Specialists who work with people navigating the many Benefit programs for the Aged. The third area is arranging the many programs and events held at the ADRC. The final area is the meal program and Cafe.

Rick has the program next week, February 3rd. On February 10th our newest member Kirby will tell us about herself.
