## **WORLD FIGURE 8 TOUR NOTES**

- Race tires must be in impound by 6pm Saturday. Impound opens at 5pm on Friday.
- Cars will go straight from tire impound to qualifying on track. They will stay on track. After the last qualifier, the fastest will draw for invert with the feature to follow immediately.
- All starts/restarts are double file including lapped cars. The leader can choose sides.
- We do race under yellow. The yellow flag is for advisory situations such as spinouts and minor issues. The red flag will be displayed for bigger issues, stop where you are.
- Top 5 finishers to stay on track for tire inspection and interviews.

## **FORD FIGURE 8 NOTES**

- All practice session times will be combined with your fastest lap being considered your "qualifying" time. The fastest will draw for invert for the feature lineup.
- All starts/restarts are double file including lapped cars. The leader can choose sides.
- We do race under yellow. The yellow flag is for advisory situations such as spinouts and minor issues. The red flag will be displayed for bigger issues, stop where you are.
