This stunning custom-built home sits on over 1/2 acres at the end of a quiet street. The open floor plan is sure to please with vaulted ceilings & a fireplace in the family room while skylights in the dining area shine bright into the beautiful kitchen, complete with stainless steel appliances. Retreat into the master suite with its newly remodeled bathroom with his & her rainfall shower heads, custom sinks and a walk-in closet...heaven! The 3 season room offers more entertaining options with its cathedral ceiling & wood-lined walls. The laundry off the kitchen & garage keeps the mess out of the house...while the large, finished game room with full kitchen and bath makes for a great man cave! There is also a large storage area and workshop that could be a 4th bedroom. This lovely home is beautifully landscaped and has an above ground pool, back patio and shed for your outside enjoyment. This is truly a one of kind home in a great neighborhood...come see all it has to offer!
