Reviewing Parish Options

Dear Parishioners,

We are preparing a document outlining the primary options for our Parish for you next week. It will include a best estimate of the costs for options as well as some of their advantages and disadvantages. We will look to meet after weekend masses the weekend of Feb 5th on this. Very soon we will have a choice to make, lest it be made for us.

Other actions we are taking at this time:

- Taking an inventory of parish articles and donated items. This is for either their preservation, protection or return to the families that made the original donation.
- Identifying items or activities that will need to be looked after in the event of a St. Edward's closure; and
- Communicating with the other Parishes in our area to keep them abreast of our situation and our general intentions.

We thank all who have provided feedback to date and encourage you to reach out to the parish office or a parish council/finance committee member if you haven't done so already.
