

# Could We With All Our Strength

William Flanders

1. Could we with all our strength, heart, soul and mind  
2. Some good in eve - ry heart we may sup - pose,  
3. Now, when the Church is di - vid - ed and torn,

love God as Christ has loved, then might we find  
but good - ness fal - ters when we are op - posed.  
when new in - clu - sions are fought as they're born.

love for our neigh - bors who dif - fer with us,  
Who can love en - e - mies just out of good?  
our com - mon love of Christ is our one hope.

love for our en - e - mies whom we don't trust.  
Love those a - gainst us, be - cause love we should?  
Christ in our hearts, giv - ing us full - er scope.

On - ly with all our strength, heart soul and mind  
Bet - ter, more hon - est to know from the start,  
We must, with all our strength, heart, soul and mind,

might we love God and not turn from man - kind.  
on - ly God's love sus - tains love in our heart.  
hold to him who's God's light, or quar - rel, blind.
