FAST CLASS WALK THRU All FAST Classes will walk together. ONE walk thru for all FAST Classes. Then we will Run all FAST Classes together by jump height.

Off Leash Areas: There are actually no designated off leash areas at AKC trials. In addition, Snohomish County requires all dogs on county property (i.e. the fairgrounds) to be on leash. **And PLEASE pick up after your dogs.**

B MATCH

Thirty minutes after the trial ends on **Saturday**, there will be a B match. A B Match runs exactly like a show, but with no scoring. You may use toys and you can train in the ring. There will be a time limit per run of 90 seconds. The cost is \$5.00 per run. You must fill out an entry form and entries will be taken day of show. The dog does not have to be entered in the show to run in the match.

Food: There will be a food vendor at the arena. They have had good food in the past. There are also many fast food places in Monroe near the fairgrounds.

Volunteers: We appreciate all our volunteer workers. To help make it easier to volunteer: We will split the Exc/Master class by jump height to change out the workers, so no one has to work an excessive amount of time. We also encourage job sharing, where you may work a particular job the first half of the class and someone else works the second have. Workers with ring conflicts may walk the course and run their dog with a different jump height group if necessary. We will accommodate you whenever possible. We'll also have a worker raffle.

Conflicts: If you have a legitimate conflict, mark on the gate sheet with a "C" and we will make every effort to accommodate you. Please arrive early so you don't miss your walk thru.

Snohomish County's annual March Against Hunger food drive directly helps those in our community by raising funds and collecting food to benefit local VOA food banks. Our campaign began in 1999 when Treasurer's Office employee Valarie Davis-Butler initiated a plan to help feed our neighbors. Although Valarie passed away later that year, her dream grew into a campaign that spans all departments and raises thousands of dollars and thousands of pounds in food every year for our local [Volunteers of America](#) food bank.

Did you know that only three yearly food drives (Snohomish County's in March, the letter carriers' drive in May, and the Evergreen State Fair in August) provide **50%** of all the food that comes in from food drives? That's why MAH is so important and why our local food banks depend on us. Here are more reasons to donate:

- One in eight people in Snohomish County will visit a food bank at least once this year.
- It takes over \$350,000 in private contributions each year to keep the Everett food bank operating.
- Fifty percent of the people served by the food bank are children or seniors on a fixed income.

Helping is easy! Throughout the month of March, bring in your nonperishable food items and help fill donation bins located in every department throughout the County. Because half of the people served by the food banks are children and seniors on a fixed income, items for seniors and the kids' afterschool program (snack-pack items) are particularly needed.

Thank you for your kindness and support!!
