Dear Mr. Meyers,
I am writing to commend and to thank Kieran, an assistant teacher in Mr. Miller's special education class. On Tues. Apr. 4 my husband Bill fell in our driveway. Kieran saw us from the school's parking lot and asked if we needed help. He assisted Bill to get up from the ground, sat with him, while I got dressed to take Bill to the emergency room. Then he helped get Bill into my car.

Kieran acted in a kind and thoughtful manner. He helped us out of a difficult situation.

Thanks to Kieran, we were able to get the help we needed. Bill injured his nose. A plastic surgeon was able to repair the damage.

Please let Kieran know how much we appreciate his help. As a retired Long Beach School Teacher, it is nice for me to know my school continues to hire excellent staff.

Kieran is a keeper!
