

Due to the COVID-19, the state has decided to shut down all schools for three weeks. We feel that we have a safe and clean environment for our area youth, but have always agreed with the school district and state on scheduling of extra curricular activities. So we at the Dome Lanes have decided to cancel all leagues for area youth only for the next 3 weeks and extend the season for each.

Below you will find the dates and event for each league as it is restructured!!!
Thank you so much for understanding in this difficult time for all of us. Wash your hands often, sanitize and stay safe!!!
