## General Judge

**Jean Jensen** Born and raised in Garden County in western Nebraska, Jean learned to draw and paint with her mother at an early age. Jean loves her flower beds and believes that watercolor is the perfect medium with which to capture the transient and colorful nature of flowers. After twenty years of watercolor, Jean now also enjoys pastel and oil painting. Local Nebraska scenes and people are regular subjects in her work. Jean loves impressionism and capturing the spirit of the subject. Her paintings have been described as both gentle and bold.

## Student Judge

He taught art at Northeastern Junior College for 36 years and served as Associate Dean for Humanities and Human Services for 12 years. He has served as a juror for local, regional and national exhibits. Peter was the 1980 Colorado Art Educator of the year.
