

## **Pam Fromelt**

### **24330 Sandpiper Isle Way #204**

I am a Registered Nurse with a Bachelor of Science in Nursing from the University of Tulsa. I spent my bedside nursing career in Cardiac Stepdown and the Emergency Departments of Tulsa and Chicago Hospitals. I transitioned to the business side of healthcare holding positions of Director of Care Management, Regional Director of Quality, Vice President of Health Services, Vice President of Government Programs for major health plans / insurance carriers and disease management companies. I joined Deloitte Consulting, the consulting arm of the accounting firm Deloitte and Touche, completing the last 15 years of my career serving health plans, hospitals, large employers, state Medicaid programs and Medicare clients. Needless to say, the dynamic (often frenetic) changes in healthcare / healthcare delivery and payment systems proved an interesting career.

My husband, Tom, and I purchased our home in Sandpiper Isle (SPI) the summer of 2013. We feel so fortunate to have found a community we love in beautiful southwest FL. We enjoy the many amenities of Pelican Landing including Bocce, Bicycling, Kayaking, and the Beach. Additionally, as members of Pelican's Nest, we have become avid golfers. After a 25-year hiatus, I have returned to playing bridge which I also love.

We are "snowbirds" with our Northern residence located in a 44-floor high-rise condo building in downtown Chicago overlooking Lake Michigan. Summer allows us to enjoy beautiful Chicago including the Grant Park Symphony, bicycling the Lake Michigan shore, golfing two lovely courses along the Lake and time with our grandchildren.

Retirement has allowed us to indulge our interest in travel exploring Europe and its many cultures, museums, castles, wonderful food and, of course, some fine adult beverages. Most recently we spent five weeks visiting Dubrovnik, several Croatian Islands, Amsterdam, Spain, and Portugal. We look forward to continuing our explorations over the next several years.

We have made many dear friends in Sandpiper Isle and look forward to making many more. As a new member of the Board, I will work diligently to support SPI in keeping our community up-to-date, enhancing and maintaining our property values, building community cohesiveness and making SPI the best place to live in Pelican Landing.
