2-Man Team Best-Ball

Clarification on how divisions and final positions were determined:

- 1. Divisions were determined by the average team handicap and broken as evenly as possible to create 3 divisions.**
- 2. Winning teams will be displayed in either the GROSS category OR the NET category in each division (not both).**
- 3. Final positions in each category were determined by the team's highest numerical finish, beginning with the lowest GROSS finisher in each division.**
- 4. Tie scores were broken by a scorecard playoff system, beginning with the #1 handicap hole, scores from teams who tied are compared until there is an outright winner (who is given the higher finish).**

Including all cross-overs, there were a total of 72 teams.

Division I: (0 - 5.5 handicap) - 21 teams

Division II: (6 - 9.5 handicap) - 26 teams

Division III: (10 handicap & higher) - 25 teams

Total Teams Paid: 30 (10 per division / 42%)

Total Payout: \$3,780 / Men's Club Added: \$900
