

We are the sole supplier of the EZ Child ID system and there are no other distributors. You buy direct from the manufacturer to insure the best pricing and best service. Our system is unique in that fact that it is the *only self contained mobile id unit in the country.*

We are the only id system in the US that has GR Fingerprint analysis software to insure quality fingerprints. Our system can be set up in under 30 Seconds. The data can be printed, copied to a CDRW or a USB memory stick. EZ Child ID is the system of choice for Law Enforcement, US Military, and Department of Home Land Security.
