

Food For Thought Fall 2016

- ▶ The Huron County Food Bank Distribution Centre channels large and small food donations to the local community food banks in Huron County.
- ▶ When we receive donations of food from individuals, food drives, farmers and food producers, we act as a clearing-house, dividing the large donations into usable portions, then distributing to the food banks that have need of the products.
- ▶ We are looking for food donors, volunteers and financial sponsors to partner with us. As this network continues to develop, we envision a Huron County where no one goes hungry.
- ▶ We welcome small and large donations. Even small donations, when multiplied by many donors, can accomplish **Big Things!**

Did You Know?

- ▶ We multiply every dollar you donate, due to the fact that we can buy and store from wholesalers and direct from manufacturers.
- ▶ One in six children in Canada face the issue of going to bed hungry.
- ▶ Your donations serve food banks in Huron County as well as the Womens Shelter in Goderich, and Room To Grow in Clinton.
