Grateful thanks to all those Parishioners who have continued to pay their weekly/monthly contributions to the Parish especially during the two lock-down periods. These contributions are so valuable to us in these difficult times, and now total £175.00 per week.

Thank you also to the individuals who have made other significant monetary gifts to the Parish during October and November. Some of these donations were anonymous and totalled £1,130. A portion of this money was donated specifically to offset costs associated with tidying-up the Cemetery. This task has been completed.
